TOWN WARRANT

SPECIAL ELECTION

To any of the Constables of the Town of Plymouth,
Commonwealth of Massachusetts:—

GREETING

In the name of the Commonwealth, you are hereby directed to notify and warn the Inhabitants of Plymouth qualified to vote in elections and town affairs to meet in Precinct 1, Hedge School, Precinct 2, Cold Spring School, Precinct 3, Memorial Building, Precinct 4, Town Office Building and Precinct 5, Bartlett Hall in said Plymouth on

SATURDAY, THE SECOND DAY OF FEBRUARY, 1963
at two o'clock in the afternoon to vote by ballot "Yes" or "No" on the following questions:

QUESTION NO. 1

"Shall the Town vote to approve the action of the Representative Special Town Meeting whereby it was voted that the Town accept the final report of the Sewage Disposal Committee?"

QUESTION NO. 2

"Shall the Town vote to approve the action of the Representative Special Town Meeting whereby it was voted that the Town accept the location of the Sewage Disposal Plant at the so-called Lothrop Street site, at the northerly end of the Town-owned "Town Wharf Lot?"

QUESTION NO. 3

"Shall the Town vote to approve the action of the Representative Special Town Meeting whereby it was voted the Town adopt a method of sewage disposal based on the so-called "extended aeration activated sludge" process and that necessary equipment be used to close certain sewer outfalls?"

QUESTION NO. 4

"Shall the Town vote to approve the action of the Representative Special Town Meeting whereby it was voted that the Selectmen be authorized to apply for such Federal and State Funds as may be available for a sewage disposal system?"

QUESTION NO. 5

“Shall the Town vote to approve the action of the Representative Special Town Meeting whereby it was voted the Sewage Disposal Study Committee be discharged?”

QUESTION NO. 6

“Shall the Town vote to approve the action of the Representative Special Town Meeting whereby it was voted that the Selectmen appoint a Sewage Disposal Planning Committee and \$1,500.00 be appropriated for their use?”

The polls will be open in Precinct 1, Hedge School, Precinct 2, Cold Spring School, Precinct 3, Memorial Building, Precinct 4, Town Office Building, Precinct 5, Bartlett Hall at two o'clock in the afternoon on said Saturday, the second day of February, 1963 and will be closed at eight o'clock in the evening.

And you are hereby required to serve this warrant in the manner prescribed by a vote of the Town by posting notices thereof in three public places in the Town, seven days at least before the meeting, one of which postings shall be in Chiltonville and one in Manomet Ponds, and also by publishing the warrant in the newspapers published in Plymouth and make return thereof with your doings thereon at the time and places above mentioned.

Given under our hands this 16th day of January, 1963.

FRANCIS P. SHEA

JAMES T. FRAZIER

SUMNER A. CHAPMAN, JR.

GEORGE E. RANDALL

WILLIAM H. BARRETT

Selectmen of Plymouth

Annual Town Meeting, March 23, 1963

The Meeting was called to order by the Moderator, Reubin M. Winokur, at 2:10 o'clock P.M.

The number of Town Meeting Members present March 23rd was 185; March 25th, 177, as reported by records of the checkers Robert Marvelli and Arsene Strassell, 2nd.

The Moderator declared a quorum present March 23 and March 25, 1963.

The Meeting was opened with a prayer by the Reverend Charles C. Forman followed by a moment of silent tribute to the departed Town employees.

The Town Meeting Members were sworn to the faithful performance of their duties by the Town Clerk, M. Herbert Craig.

Alton Leeson and Carleton Kendrick were appointed as tellers.

Article 2. To see if the Town will vote to authorize the broadcasting of the 1963 Town Meeting and appropriate \$400 for the expenses thereof, provided that the Town receives from the broadcasting facilities a tape recording of the entire proceedings of the meeting so broadcast.

The Committee recommends favorable action and an appropriation of \$400 for broadcasting and tape recordings of the entire proceedings of the meeting.

Voted: That the Town authorize the broadcasting of the 1963 Town Meeting and appropriate \$400 for the expenses thereof, provided that the Town receives from the broadcasting facilities a tape recording of the entire proceedings of the Meeting so broadcast.

Article 3. To hear reports of the several board of officers and committees of the Town and act thereon.

Voted: That the reports of the several boards of officers and committees of the Town be accepted and placed on file.

Parking Survey Committee's report.

By-Law Committee: It was voted to extend this Committee for another year.

Cedarville Playground Committee: It was voted to extend this Committee for another year and that a replacement be named for Donald Newey who has moved to another state.

Conservation Commission's report.

Plymouth Redevelopment Authority's Fourth Annual Report.

Article 4. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1964 and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

The Committee recommends favorable action.

Voted: (Unanimously) That the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1964 and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, of the General Laws.

Article 5. To see if the Town will vote to amend the Wage and Salary Classification By-Law in accordance with the recommendations of the Personnel Board presently filed with the records of said Board.

The Personnel Board and the Finance Committee recommend that the Wage and Salary Classification By-Law be amended by deleting the present By-Law and substituting in place thereof the Classification and Compensation Plans and Personnel By-Law as shown on Pages 28 through 54 inclusive, of the Advisory and Finance Report.

Voted: (Unanimously) That the Town amend the Wage and Salary classification By-Law in accordance with the recommendations of the Personnel Board as shown in the printed report of the Advisory and Finance Committee, Pages 31-54 inclusive.

Article 6. To see what action the Town will take with regard to fixing the salaries of elected Town Officers.

The Committee recommends that the salaries of elected town officers be set as of January 1, 1963 as follows:

| | |
|------------------------|----------|
| Moderator | \$100.00 |
| Chairman of Selectmen | 1,200.00 |
| Other Selectmen (each) | 600.00 |
| Chairman of Assessors | 6,000.00 |
| Other Assessors (each) | 5,000.00 |
| Town Clerk | 2,861.00 |
| Town Treasurer | 2,861.00 |
| Tree Warden | 2,735.00 |
| Collector of Taxes | 5,136.00 |

Voted: That the salaries of elected Town Officers be set as of January 1, 1963 as follows:

| | |
|------------------------|-------|
| Moderator | \$100 |
| Chairman of Selectmen | 1,200 |
| Other Selectmen (each) | 600 |
| Chairman of Assessors | 6,000 |
| Other Assessors (each) | 5,000 |
| Town Clerk | 2,861 |
| Town Treasurer | 2,861 |
| Collector of Taxes | 5,136 |
| Tree Warden | 2,735 |

Article 7. To provide for a Reserve Fund and to determine what sums of money the Town will raise and appropriate, including appropriations from available funds, to defray charges and expenses of the Town, including debt and interest, for the ensuing year.

Article 8. To take such action as the Town shall see fit in aid of the Plymouth Public Library, including the Loring Branch Library.

The Committee recommends an appropriation of \$60,666 including the Dog Tax of \$2,306.19 of which appropriation \$45,340 shall be for Salaries and \$15,326 for Other Expenses.

Voted: That the Town raise and appropriate the sum of \$60,666.00, including the dog tax of \$2,306.19, in aid of the Plymouth Public Library, including the Loring Branch Library, of which appropriation \$45,340.00 shall be for Salaries, and \$15,326.00 for Other Expenses.

Article 9. To see what amount the Town will vote to raise and appropriate in aid of the Manomet Public Library.

The Committee recommends an appropriation of \$2,470.

Voted: That the Town raise and appropriate the sum of \$2,470.00 in aid of the Manomet Public Library.

Article 10. To see if the Town will vote to raise and appropriate \$8,000 for nursing services by the Plymouth Community Nurse Association, Inc.; said appropriation to be expended under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$8,000.

Voted: That the Town raise and appropriate \$8,000.00 for Nursing Services by the Plymouth Community Nurse Association Inc.; said appropriation to be expended under the direction of the Board of Selectmen.

Article 11. To see what amount the Town will vote to

raise and appropriate for the use of the Plymouth County Trustees for County Aid to Agriculture and to authorize the Selectmen to appoint a director in accordance with Chapter 319 of the Acts of 1957.

The Committee recommends favorable action and an appropriation of \$150.

Voted: That the Town raise and appropriate the sum of \$150.00, for the use of the Plymouth County Trustees for County Aid to Agriculture and to authorize the Selectmen to appoint a Director for the term of one year.

Article 12. To see what amount the Town will vote to raise and appropriate for advertising the advantages of the Town and for providing amusements or entertainments of a public character; said appropriation to be spent under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$20,000 for advertising the advantages of the town, but not for providing amusements or entertainments of a public character, said appropriation to be expended under the direction of the Board of Selectmen.

Voted: That the Town raise and appropriate \$20,000 for advertising the advantages of the Town, including necessary expenses incurred outside the Commonwealth, but not to be used for providing amusements or entertainments of a public character: said appropriation to be expended under the direction of the Board of Selectmen.

Article 13. To see what amount the Town will vote to raise and appropriate to meet the payment of certain bills contracted prior to January 1, 1963 or take any action relative thereto.

The Committee recommends an appropriation of \$515.12; \$9.30 for the Park Department, \$213.60 for Memorial Building Maintenance, \$51.00 for Town Office Building Maintenance, \$6.00 for Election and Registration, \$150.37 for Harbor Master, \$50.00 for Manomet Public Library, and \$34.85 for Public Welfare.

Voted: (Unanimously) That the Town raise and appropriate the sum of \$515.12 to meet the payment of certain bills contracted prior to January 1, 1963:

| | |
|-----------------|---------|
| Public Welfare | \$34.85 |
| Manomet Library | 50.00 |
| Harbor Master | 150.37 |

| | |
|---------------------------|--------|
| Park Department | 9.30 |
| Election and Registration | 6.00 |
| Town Office Building | 213.60 |
| Memorial Building | 51.00 |

Article 14. To see what amount the Town will vote to raise and appropriate for Christmas Lighting; said appropriation to be spent under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$2,000 to be expended under the direction of the Board of Selectmen.

Voted: That the Town raise and appropriate the sum of \$2,000, for Christmas lighting; said appropriation to be expended under the direction of the Board of Selectmen.

Article 15. To see what amount the Town will vote to raise and appropriate or take from available funds to improve the tourist information booth; said appropriation to be spent under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$4,000 to be expended under the direction of the Board of Selectmen.

Voted: That the Town raise and appropriate \$4,000 to improve the Tourist Information Booth; and provide rest room facilities; said appropriation to be expended under the direction of the Board of Selectmen.

Article 16. To see if the Town will vote to accept twenty-one cemetery perpetual care funds amounting to \$8,825 received and deposited in the Plymouth Federal Savings and Loan Association in the year 1962 in accordance with the usual votes of the Cemetery Commissioners and Selectmen and listed as "New Funds" in the town report.

The Committee recommends favorable action.

Voted: That the Town accept twenty-one cemetery perpetual care funds, amounting to \$8,825 received and deposited in the Plymouth Federal Savings and Loan Association in the year 1962 in accordance with the usual votes of the Cemetery Commissioners and Selectmen and listed as "New Funds" in the Town Report.

Article 17. To see if the Town will vote to raise and appropriate or transfer from unappropriated funds in the

Treasury, a sum of money for Chapter 90 Highway Construction and/or Chapter 90 Maintenance, or take any action in relation thereto.

| Purpose | State Share | County Share | Town Share | Total |
|--|-------------------|-------------------|-------------------|-------------------|
| Middleboro Rd. (Rt. 44), Sandwich St. and Long Pond Rd. Chapter 90 — Maintenance | \$42,000 2,500 | \$21,000 2,500 | \$21,000 2,500 | \$84,000 7,500 |
| | <u>\$44,500</u> | <u>\$23,500</u> | <u>\$23,500</u> | <u>\$91,500</u> |

The Committee recommends an appropriation of \$91,500, the Town's share amounting to \$23,500, from the tax levy, the State and County shares amounting to \$68,000, from available funds.

Voted: That the Town raise and appropriate for Chapter 90 Maintenance and Construction, \$23,500, from the tax levy of the current year to meet the Town's share; the State and County shares amounting to \$68,000, from available funds.

| Purpose | State Share | County Share | Town Share | Total |
|--|-------------------|-------------------|-------------------|-------------------|
| Middleboro Rd. (Rte.44), Sandwich St., Long Pond Rd. Chapter 90 Maintenance | \$42,000 2,500 | \$21,000 2,500 | \$21,000 2,500 | \$84,000 7,500 |
| | <u>\$44,500</u> | <u>\$23,500</u> | <u>\$23,500</u> | <u>\$91,500</u> |

Article 18. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, a sum of money for the permanent construction of the following streets: Nook Road, Nook Road sidewalk, Water Street, Forest Avenue Extension, Westerly Road, Arlington Road, Thrush Avenue and such other street or streets as may be approved by the Selectmen and/or the State Department of Public Works in accordance with Chapter 782 of the Acts of 1962.

The Committee recommends that the sum of \$43,588.20 be appropriated for the permanent construction of Nook Road, Nook Road sidewalk, Water Street Extension, Westerly Road, Arlington Road, Thrush Avenue and such other street or streets as may be approved by the Selectmen and/or the State Department of Public Works, and to meet said appropriation the sum of \$43,588.20 be transferred from the proceeds received or to be received from the State under the provisions of Chapter 782 of the Acts of 1962.

Voted: That the Town appropriate the sum of \$43,588.20 for the permanent construction of Nook Road, Nook Road

sidewalk, Water Street, Westerly Road, Arlington Road, Thrush Avenue and such other street or streets as may be approved by the Selectmen and/or the State Department of Public Works, and to meet said appropriation the sum of \$43,588.20 be transferred from the proceeds received or to be received from the State under the provisions of Chapter 782 of the Acts of 1962.

Article 19. To see if the Town will vote to raise and appropriate \$5,200 for the purchase of a 4-yard dump truck for the Highway Department.

The Committee recommends an appropriation of \$4,585.

Voted: That the Town raise and appropriate \$4,585 for the purchase of a 4-yard dump truck for the Highway Department.

Article 20. To see if the Town will vote to raise and appropriate \$1,000 for the purchase of one — 9' snow plow for the Highway Department.

The Committee recommends an appropriation of \$832, for the purchase of one 9' snow plow for the Highway Department.

Voted: That the Town raise and appropriate \$832 for the purchase of one — 9-foot snow plow for the Highway Department.

Article 21. To see what amount the Town will vote to raise and appropriate for the purchase of a motor street sweeper and dispose of the sweeper now in use.

The Committee recommends an appropriation of \$6,000, for the purchase of one motor street sweeper, and dispose of the sweeper now in use.

Voted: That the Town raise and appropriate \$6,000 for the purchase of a motor street sweeper, and dispose of the sweeper now in use.

Article 22. To see if the Town will vote to raise and appropriate \$2,685 for the installation of a sewer in Westerly Road from Alden Street to Liberty Street.

By Petition: James R. Kritzmacher et al

The Committee recommends favorable action and an appropriation of \$2,685.

Voted: That the Town raise and appropriate \$2,685 to install a sewer in Westerly Road from Alden Street Extension to Liberty Street.

Article 23. To see if the Town will vote to raise and appropriate \$1,440 for the installation of a sewer in Westerly Road south 1,030 feet to Alden Street Extension.

By Petition: Edward Parker et al

The Committee recommends favorable action and an appropriation of \$1,440.

Voted: That the Town raise and appropriate \$1,440 for the installation of a sewer in Westerly Road south 1,030 feet from Alden Street Extension.

Article 24. To see what amount the Town will vote to raise and appropriate to pay land damages in connection with County layouts of Beaver Dam Road and Long Pond Road.

The Committee recommends an appropriation of \$95.

Voted: (Unanimously) That the Town raise and appropriate \$95 to pay land damages in connection with the County layout of Beaver Dam Road.

Article 25. To see if the Town will vote to raise and appropriate \$9,500 for the purchase and installation of an auxiliary boiler and oil burner in the Memorial Building; said appropriation to be spent under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$9,500.

Voted: That the Town raise and appropriate \$9,500 to purchase and install an auxiliary boiler and oil burner in the Memorial Building, said appropriation to be spent under the direction of the Board of Selectmen.

Article 26. To see if the Town will authorize the Selectmen to purchase 300 new individual metal folding chairs and 30 new individual folding banquet tables to be designated as equipment or furnishings for the Plymouth Memorial Building and appropriate therefor a sum of money not to exceed \$2,200.

By Petition: Walter B. Haskell et al

The Committee recommends No Action.

Voted: That the Town raise and appropriate the sum of \$2,200, and authorize the Selectmen to purchase 300 new individual metal folding chairs and 30 new individual folding banquet tables to be designated as equipment or furnishings for the Plymouth Memorial Building.

Article 27. To see what action the Town will take in regard to the Sewage Disposal problem and what appropriation may be voted therefor.

By Petition: Raymond E. Miskelly et al

The Committee recommends No Action.

To see what action the Town will take in regard to the Sewage Disposal problem and what appropriation may be voted therefor.

Voted: That the Town take no action under Article 27.

Article 28. To see if the Town will vote to raise and appropriate the sum of \$3,500 for the purchase of a new 1½ ton dump truck for the Park Department and dispose of the 1954 Ford dump truck now in possession of the Park Department; said appropriation to be spent under the direction of the Park Department.

The Committee recommends an appropriation of \$2,988.

Voted: That the Town raise and appropriate the sum of \$2,988 for the purchase of a new 1½-ton dump truck for the Park Department and dispose of the 1954 Ford Dump Truck now in use. Said appropriation to be spent under the direction of the Park Department.

Article 29. To see if the Town will appropriate a sum of money to provide for the use of the town-owned floodlights at Stephens Field; said appropriation to be spent under the supervision of the Park Department.

By Petition: Ronald J. Ferioli et al

The Committee recommends an appropriation of \$300.

Voted: That the Town raise and appropriate \$300, to provide for the use of the Town-owned floodlights at Stephens Field; said appropriation to be spent under the supervision of the Park Department.

Article 30. To see what amount the Town will vote to raise and appropriate for the purchase of a new car for the Tree Warden's Department and to dispose of a 1958 Ford car now in use.

The Committee recommends an appropriation of \$2,000, provided the purchase of a new car is put out to bid.

Voted: That the Town raise and appropriate \$2,000 for the purchase of a new car for the Tree Warden's Department and to dispose of the 1958 Ford car now in use.

Article 31. To see if the Town will vote to raise and appropriate or by use of available funds or borrowing under Chapter 44 of the General Laws, the necessary money and authorize the Water Commissioners to extend the existing 10" water main from its present terminus at Cape Cod Avenue on Route 3A, Manomet, connecting with 12" main southerly for a distance of approximately 7,300 feet and to acquire land and thereon construct a storage tank of one million gallons capacity together with necessary changes to the piping and pumping equipment and make an appropriation of \$200,000 therefor.

The Committee recommends favorable action and costs of \$200,000, to be paid for by bond issue.

Voted: Mr. Benjamin B. Brewster moved that the Town authorize the Water Commissioners to lay mains of not less than six (6) inches in diameter, in Route 3A and other streets or parts of streets in Manomet, commencing at the present terminus of the existing ten (10) inch main in Route 3A, near Cape Cod Avenue and extending southerly for a distance of seven thousand three hundred (7300) feet, more or less, and to construct a steel storage tank of one million (1,000,000) gallons capacity, more or less, and to enter into all necessary contracts for the above purposes and to appropriate therefor the sum of two hundred thousand (200,000) dollars. To meet this appropriation the Town Treasurer, with the approval of the Selectmen, be authorized to borrow the sum of two hundred thousand (200,000) dollars, and to issue therefor bonds or notes of the Town, pursuant to Chapter 44 of the General Laws, such bonds or notes to be payable within fifteen (15) years from their dates.

Voting by a show of hands, 121 in the affirmative, 14 in the negative, the Moderator declared the motion carried.

Article 32. To see if the Town will authorize the Water Commissioners to purchase a 1-ton pickup truck and dispose of the 1957 pickup truck and make an appropriation of \$2,400 therefor.

The Committee recommends an appropriation of \$2,400.

Voted: That the Town raise and appropriate \$2,400 for the purchase of a one ton pick-up truck and dispose of the 1957 pick-up truck now in use; said appropriation to be expended under the supervision of the Water Commissioners.

Article 33. To see if the Town will authorize the Water Commissioners to purchase meter testing equipment, including test bench, calibrated tank and necessary piping and fittings, to install same, for testing and repairing water meters and make an appropriation of \$1,200 therefor.

The Committee recommends an appropriation of \$1,200.

Voted: That the Town raise and appropriate \$1,200 to purchase meter testing equipment, including test bench, calibrated tank and necessary piping and fittings and to install same; said appropriation to be expended under the direction of the Water Commissioners.

Article 34. To see if the Town will authorize the Water Commissioners to dredge and repair the Little South Pond Canal and make an appropriation of \$3,000 therefor.

The Committee recommends an appropriation of \$3,000

Voted: That the Town authorize the Water Commissioners to dredge and repair the Little South Pond Canal and raise and appropriate \$3,000 therefor.

Article 35. To see if the Town will vote to raise and appropriate or by use of available funds or borrowing under Chapter 44 of the General Laws, the necessary money, and to authorize the Water Commissioners to extend the water system using piping of ten and twelve-inch diameter, westerly on Samoset Street, southerly on Seven Hills Road and easterly on Summer Street to the present terminus and to acquire land for a storage tank together with the necessary changes to the piping and pumping equipment and make an appropriation of \$296,000 therefor.

The Committee recommends favorable action and costs to be paid for by bond issue of \$296,000.

Voted: Mr. Arthur Addyman moved that the Town authorize the Water Commissioners to extend the water system by laying mains of not less than six (6) inches in diameter in Samoset Street, Seven Hills Road, Summer Street and other streets or parts of streets and to construct a steel storage tank of five hundred thousand (500,000) gallons capacity, more or less, and including necessary changes to existing piping and pumping equipment and to enter into all necessary contracts for the above purposes and to appropriate therefor the sum of two hundred ninety-six thousand (296,000) dollars. To meet this appropriation the Town

Treasurer, with the approval of the Selectmen, be authorized to borrow the sum of two hundred ninety-six thousand (296,000) dollars and to issue therefor bonds or notes of the Town, pursuant to Chapter 44 of the General Laws, such bonds or notes to be payable within fifteen (15) years from their dates.

Voting by a show of hands, 120 in the affirmative, 18 in the negative, the Moderator declared the motion carried.

Article 36. To see if the Town will authorize the Water Commissioners to lay a 12" main on Samoset Street and Westerly Road for a distance of 700 feet, approximately, so as to discontinue the old jacketed pipe now on land sold by the Town to Gertrude Testoni and make an appropriation of \$7,300 therefor.

By Petition: Robert H. Benea et al

The Committee recommends favorable action.

Voted: That the Town authorize the Water Commissioners to lay a twelve inch main on Samoset Street and Westerly Road for a distance of seven hundred feet, approximately, so as to discontinue the old jacketed pipe now on land sold by the Town to Gertrude Testoni and raise and appropriate \$7,300 therefor.

Article 37. To see if the Town will vote to raise and appropriate the sum of \$8,200 to purchase and equip one Forest Fire Truck for the Forest Fire Department.

The Committee recommends No Action.

To see if the Town will vote to raise and appropriate the sum of \$8,200 to purchase and equip one Forest Fire Truck for the Forest Fire Department.

Voted: That the Town take no action under Article 37.

Article 38. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip one Fire Chief's car for the Fire Department and trade in one 1959 Plymouth Station wagon.

The Committee recommends an appropriation of \$2,097.

Voted: That the Town raise and appropriate \$2,097 for the purchase and to equip one Fire Chief's Car for the Fire Department and trade in one 1959 Plymouth Station Wagon now in use.

Article 39. To see what action the Town will take to appoint a committee to study the erection of a building to properly house the fire apparatus in the Cedarville area of Plymouth. The Committee to include in their study the feasibility of using town-owned Lot #22 of Plat 55 of the Assessors' Plans located on Route 3A and make a recommendation at the next special or annual town meeting.

The Committee recommends favorable action.

Voted: That the Town have the Moderator appoint a Committee to study the erection of a building to properly house the fire apparatus in the Cedarville area of Plymouth, the Committee to make a recommendation at the next special or annual town meeting.

Article 40. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip 4 cars for the Police Department and trade in three 1962 Ford cruiser ambulances and one 1954 Pontiac Sedan.

The Committee recommends an appropriation of \$7,694.

Voted: That the Town raise and appropriate \$7,694 to purchase and equip four cars for the Police Department and trade-in three 1962 Ford cruiser ambulances and one 1954 Pontiac Sedan.

Article 41. To see if the Town will vote to raise and appropriate a sum of money to purchase or take by eminent domain, land for a new dump site to be developed by the Commission of Public Safety, Health Division.

The Committee recommends No Action.

To see if the Town will vote to raise and appropriate a sum of money to purchase or take by eminent domain, land for a new dump site to be developed by the Commission of Public Safety, Health Division.

Voted: That the Town take no action under Article 41.

At 5:45 o'clock P.M. Mr. Howard Barnes moved to adjourn until 7:30 o'clock P.M., Monday, March 25, 1963, and it was so voted.

Adjourned Town Meeting, March 25, 1963

The Meeting was called to order by the Moderator at 7:35 o'clock P.M.

The number of Town Meeting Members present was 177, the Moderator declared a quorum present.

Article 42. To see if the Town will vote to raise and appropriate a sum of money for the purpose of remodelling and making extraordinary repairs to the Plymouth Junior-Senior High school, and to determine whether the money shall be provided for by taxation, by borrowing, or by transfer from available funds and take any action relative thereto.

The Committee recommends favorable action and an appropriation of \$111,108 to be provided for by Bond Issue of \$100,000 and \$11,108 from the Tax Levy.

Voted: (Unanimously) That the Town raise and appropriate from the Stabilization Fund, the sum of \$111,108, for the purpose of remodeling and making extraordinary repairs to the Plymouth Junior-Senior High School and to authorize the Renovating Committee for the Junior-Senior High School to expend funds appropriated under this vote.

Article 43. To see if the Town will vote to raise and appropriate the sum of \$370,829.67 as the Town's share of the annual maintenance and operating budget for the Plymouth-Carver Regional School District consisting of the capital costs assessment of \$136,348.00 and the operating costs assessment of \$234,481.67 which is in accordance with the provisions of Section 16B of Chapter 71 of the General Laws. Said appropriation is to be used in conjunction with an appropriation made available for the same purpose by the Town of Carver.

The Committee recommends favorable action and an appropriation of \$370,829.67.

Plymouth's share 88.6%

\$234,481.67 capital costs

Plymouth's share 89%

\$136,348.00 cost of operation

\$370,829.67

Voted: That the Town raise and appropriate the sum of \$370,829.67, as the Town's share of the annual maintenance and operating budget for the Plymouth-Carver Re-

gional School District consisting of the capital costs assessment of \$136,348, and the operating costs assessment of \$234,481.67 which is in accordance with the provisions of Section 16B of Chapter 71 of the General Laws. Said appropriation is to be used in conjunction with an appropriation made available for the same purpose by the Town of Carver.

Dr. Samuel Stewart moved, and it was so voted, that Articles #44 and #45 be taken up as one article for discussion.

Article 44. To see whether the Town will vote to approve or disapprove the amount of debt (to wit: \$120,000.00) authorized by the Plymouth-Carver Regional District School Committee at a meeting held on January 24, 1963 for the purpose of completing the construction, original equipment and furnishing of the regional high school building.

The Committee recommends an appropriation of \$120,000 to be raised by Bond Issue.

Voted: That the Town approve the amount of debt (to wit: \$120,000) authorized by the Plymouth-Carver Regional District School Committee at a meeting held on January 24, 1963, for the purpose of completing the construction, original equipment and furnishing of the Regional High School building.

Voting by voice vote, the Moderator declared the motion carried.

Article 45. To see if the Town will vote to appropriate its proportionate share of \$120,000 for the purpose of completing the construction, original equipment and furnishing of the Plymouth-Carver Regional District High School, namely, \$106,800; said appropriation is to be used in conjunction with an appropriation made available for the same purpose by the Town of Carver and to determine whether the money shall be provided for by taxation or by transfer from available funds and take any action relative thereto.

The Committee recommends No Action.

To see if the Town will vote to appropriate its proportionate share of \$120,000 for the purpose of completing the construction, original equipment and furnishing of the Plymouth-Carver Regional District High School, namely, \$106,800; said appropriation is to be used in conjunction with an appropriation made available for the same purpose by the

Town of Carver and to determine whether the money shall be provided for by taxation or by transfer from available funds and take any action relative thereto.

Voted: That the Town take no action under Article 45.

Article 46. To see if the Town will accept and allow as a Town way, Coles Lane, from Sandwich Street southerly about 800 feet, as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses of acquiring titles.

The Committee recommends favorable action and an appropriation of \$100, for legal expenses. Street layout conforms to Planning Board requirements.

Voted: Voting by a show of hands, 144 in the affirmative, 3 in the negative, that the Town accept and allow as a Town way, Coles Lane from Sandwich Street southerly about 800 feet, as laid out by the Selectmen and reported to the Town and to raise and appropriate \$100 for expenses of acquiring titles.

Article 47. To see if the Town will accept and allow as a Town way, Muster Field, as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses of acquiring titles.

The Committee recommends favorable action and an appropriation of \$200 for legal expenses. The street layout conforms to Planning Board requirements.

Voted: (Unanimously) That the Town accept and allow as a Town way, Muster Field as laid out by the Selectmen and reported to the Town and raise and appropriate \$200 for expenses of acquiring titles.

Article 48. To see if the Town will accept and allow as a Town way the alteration of the southwesterly street line of Sandwich Street in two places: (1) at the northwesterly corner of Pierce Avenue for a distance of 200 feet and (2) opposite Cliff Street for a distance of about 200 feet as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses of acquiring titles.

The Committee recommends favorable action and an appropriation of \$260, for legal expenses. The street layout conforms to Planning Board requirements.

Voted: (Unanimously) That the Town accept and allow as a Town way the alteration of the southwesterly

street line of Sandwich Street in two places: (1) at the northwesterly corner of Pierce Avenue for a distance of 200 feet and (2) opposite Cliff Street for a distance of about 200 feet as laid out by the Selectmen and reported to the Town and raise and appropriate \$100 for expenses of acquiring title and \$160 for property damages, to George L. Hoagland et ux.

Article 49. To see if the Town will accept and allow as a Town way, Linden Lane, as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses of acquiring titles.

The Committee recommends No Action.

Mr. Charles Sanderson moved that the Town take no action under Article 49.

Mr. John Armstrong moved to amend Mr. Sanderson's motion by substituting the following: That the Town accept and allow as a Town way, Linden Lane, as laid out by the Selectmen and make an appropriation for land and property damages of \$100 and expenses of acquiring titles.

Voting by a show of hands, 120 in the affirmative, 19 in the negative, being a two-thirds vote, the motion, as amended, was carried.

Article 50. To see if the Town will accept and allow as a Town way the alteration of the corner of Alden Street and Westerly Road as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses of acquiring titles.

The Committee recommends favorable action and an appropriation of \$100, for legal expenses. The street layout conforms to Planning Board requirements.

Voted: (Unanimously) That the Town accept and allow as a Town way the alteration of the corner of Alden Street and Westerly Road as laid out by the Selectmen and reported to the Town and to raise and appropriate \$100 for expenses of acquiring titles.

Article 51. To see if the Town will accept and allow as a Town way, Benham Street, as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses of acquiring titles.

The Committee recommends No Action.

Mr. Charles Sanderson moved that the Town take no action under Article 51.

Mr. Thomas Quinn moved to amend Mr. Sanderson's motion by substituting the following: That the Town accept and allow as a Town way, Benham Street, as laid out by the Selectmen and reported to the Town, and appropriate the sum of \$100 for legal expenses, and it was so voted unanimously.

Article 52. To see if the Town will accept and allow as a Town way, Thomas Avenue, White Horse Beach, as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses of acquiring titles.

The Committee recommends favorable action and an appropriation of \$200, for legal expenses. Street layout conforms to Planning Board requirements.

Voted: (Unanimously) That the Town accept and allow as a Town way, Thomas Avenue, White Horse Beach, as laid out by the Selectmen and reported to the Town and to raise and appropriate \$200 for expenses of acquiring titles.

Article 53. To see if the Town will accept and allow as a Town way, Hilltop Avenue, White Horse Beach, as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses of acquiring titles.

The Committee recommends No Action.

Voted: (Unanimously) That the Town accept and allow as a Town way, Hilltop Avenue, White Horse Beach, as laid out by the Selectmen and reported to the Town and raise and appropriate \$200 for expenses of acquiring titles.

Article 54. To see if the Town will vote to authorize the Selectmen to abandon a certain drainage easement situated on the northerly side of Bunker Hill Road and located on property now or formerly of Leontini C. Ferrari.

The Committee recommends favorable action.

Voted: (Unanimously) That the Town authorize the Selectmen to abandon a certain drainage easement as shown on a plan entitled "Town of Plymouth, proposed drainage easement scale 1 inch=40 feet, February 23, 1963, Edward

Chase, Town Engineer.” Said easement located on the northerly side of Bunker Hill Road and located on Property now or formerly of Leontini C. Ferrari.

Article 55. To see if the Town will vote to authorize the Selectmen to accept a certain drainage easement from Leontini C. Ferrari; said easement located on the northerly side of Bunker Hill Road.

The Committee recommends favorable action.

Voted: (Unanimously) That the Town authorize the Selectmen to accept a certain drainage easement from Leontini C. Ferrari, as shown on a plan entitled “Town of Plymouth, proposed drainage easement scale 1 inch=40 feet, February 23, 1963, Edward Chase, Town Engineer.” Said easement located on the northerly side of Bunker Hill Road.

Article 56. To see if the Town will authorize the Selectmen to convey to the Plymouth Industrial Development Corporation for a sum equal to the taxes and interest due thereon plus the town’s expenses in connection with the tax title, all the town’s right, title and interest in the land lying west of Route 3 in the Industrial Zone shown as Lot 37 of Plat 101 of the Assessors’ Plans, being a parcel 21.68 acres in area assessed to the Heirs of Mary Cobb and now held by the Town for non-payment of taxes.

The Committee recommends No Action.

Mr. Charles Sanderson moved that the Town take no action under Article 56.

Mr. Thomas Quinn moved to amend the motion of Mr. Sanderson by substituting the following: That the Town express its willingness that the Treasurer assign to the Plymouth Industrial Development Corporation for a sum equal to the taxes and interest due thereon, plus the Town’s expenses in connection with the tax title, all the Town’s right, title and interest in the land lying West of Route 3 in the Industrial Zone shown as Lot 37 of Plat 101 of the Assessors’ Plans, being a parcel 21.68 acres in area assessed to the Heirs of Mary Cobb and now in tax title, but the amendment was lost.

The original motion was put before the Meeting and carried.

Article 57. To see if the Town will authorize the Water Commissioners to lay a 10" main on Cherry Street-Nick's Rock Road from Station 3 + 50 to Station 31 + 50 for a distance of approximately 2,800 feet with all the necessary gates, fire hydrants and fittings to supply water to the new Industrial Site and to make an appropriation therefor.

The Committee recommends No Action.

To see if the Town will authorize the Water Commissioners to lay a 10" main on Cherry Street-Nick's Rock Road from Station 3+50 to Station 31+50 for a distance of approximately 2,800 feet with all the necessary gates, fire hydrants and fittings to supply water to the new Industrial Site and to make an appropriation therefor.

Voted: That the Town take no action under Article 57.

Article 58. To see if the Town will vote to raise and appropriate or take from available funds a sum of money sufficient to inspect, repair, maintain and standardize all existing traffic signs and road and curb markings in conformity with the regulations of the State Department of Public Works, or take any action relative thereto.

The Committee recommends an appropriation of \$1,500.

Voted: That the Town take from Street Parking Meter Receipts \$1,500, to inspect, repair, maintain and standardize all existing traffic signs and road and curb markings in conformity with the regulations of the State Department of Public Works, said appropriation to be expended under the direction of the Board of Selectmen.

Article 59. To see what action the Town will take on the continuation for another year of the Special Traffic and Parking Study Committee authorized under Article 92 of the March 1962 Annual Town Meeting, and to make an appropriation of \$1,000 therefor.

The Committee recommends favorable action in continuing the Special Traffic and Parking Study Committee for another year and an appropriation of \$500.

Voted: That the Town continue for another year the Special Traffic and Parking Study Committee authorized under Article 92 of the March 1962 Annual Town Meeting,

and to raise and appropriate \$500. Said appropriation to be expended under the direction of the Traffic and Parking Study Committee.

Article 60. To see what action the Town will take on the recommendations of the Committee appointed by the Moderator under Article 38 of the Annual Town Meeting of 1961 to study the entire program of inspections pertaining to the building trades.

The Committee recommends No Action.

Mr. Lothrop Withington, Jr. moved that the Committee appointed under Article 38 of the 1961 Annual Town Meeting be instructed to prepare proposed electrical wiring and gas piping and gas appliances laws, these to be submitted to the next special or regular town meeting.

Mr. Howard Barnes moved to amend Mr. Withington's motion by the following: That the Committee authorized in March 1961 under Article 38 be continued for another year, to hold hearings, prepare by-laws and schedules of fees for wiring and gas inspectors, and to report to the Town before January 1, 1964, and the motion, as amended, was carried.

Article 61. To see if the Town will vote to authorize the Selectmen to abandon a right of way over land of Theodore A. and Doris M. Dries situated on the westerly side of Court Street and shown as Lot 18A on Plat 11 of the Assessors' Plans.

The Committee recommends favorable action.

Voted: (Unanimously) That the Town authorize the Selectmen to abandon a right of way over land of Theodore A. and Doris M. Dries situated on the westerly side of Court Street and shown as Lot 18A on Plat 11 of the Assessors' Plans.

Article 62. To see if the Town will vote to accept Chapter 409 of the Acts of 1962, an "Act authorizing the Towns to adopt rules regulating the use of ways by pedestrians."

The Committee recommends favorable action.

Voted: Voting by a show of hands, 75 in the affirmative, 66 in the negative, that the Town accept Chapter 409 of the Acts of 1962, an "Act authorizing the Towns to adopt rules regulating the use of ways by pedestrians."

Article 63. To see if the Town will vote to accept Chapter 141 of the Acts of 1962 entitled "An Act relative to the filling of vacancies in the office of Town Meeting Member in the Town of Plymouth."

The Committee recommends favorable action.

Voted: That the Town accept Chapter 141 of the Acts of 1962 entitled "An Act relative to the filling of vacancies in the office of Town Meeting Member in the Town of Plymouth."

Article 64. To see if the Town will vote to amend the by-law adopted under Article 28 of the 1950 Town Meeting by striking out the words "under their supervision" and inserting in place thereof the following words "which is deemed by said department" so that said by-law will read as follows:

"The Board of Selectmen is authorized to sell and otherwise dispose of any equipment or material in the hands of any department which is deemed by said department to be obsolete and of no further use by the Town. No sale or disposition of such equipment or material shall be made until after posting of notices in three public places together with publication in a newspaper published in Plymouth of the time and place of such sale with a descriptive listing of articles involved at least two weeks prior thereto. A public hearing may be held preceding such sale or disposition."

The Committee recommends favorable action.

Voted: That the Town amend the by-law adopted under Article 28 of the 1950 Town Meeting by striking out the words "under their supervision which is deemed by the Selectmen" and inserting in place thereof the following words; "which is deemed by said Department" so that said by-law will read as follows:

"The Board of Selectmen is authorized to sell and otherwise dispose of any equipment or material in the hands of any department which is deemed by said department to be obsolete and of no further use by the Town. No sale or disposition of such equipment or material shall be

made until after posting of notices in three public places together with publication in a newspaper published in Plymouth of the time and place of such sale with a descriptive listing of articles involved at least two weeks prior thereto. A public hearing may be held preceding such sale or disposition."

Voting by voice vote, the Moderator declared the motion carried.

Article 65. To see if the Town will adopt as by-laws the regulations of the Plymouth Harbor Advisory Committee as contained in the report of said committee on file with the Board of Selectmen.

The Committee recommends favorable action for the adoption as by-laws the recommended regulations of the Plymouth Harbor Advisory Committee as printed on pages 55 through 62 of this Advisory and Finance Committee report.

Mr. Charles Sanderson moved that the Town adopt as By-Laws the regulations of the Plymouth Harbor Advisory Committee as shown on Pages 55-62 inclusive of the Advisory and Finance Committee report.

Mr. James Frazier moved to amend Mr. Sanderson's motion by eliminating the word "from" and substituting the word "in" on Page 61, III CODE, paragraph 3, line 4, and the motion, as amended, was carried.

Article 66. To see if the Inhabitants of the Town of Plymouth will vote to authorize the Board of Selectmen to grant the Plymouth County Electric Company and the New England Telephone and Telegraph Company rights of easement for one (1) pole location and wire rights on a public way bulkhead, Town Wharf, for the installation of a street light fixture to illuminate the Town Wharf float area. Said pole and fixture were installed under temporary permission granted by the Board of Selectmen during 1962.

The Committee recommends favorable action.

Voted: (Unanimously) That the Town authorize the Selectmen to grant the Plymouth County Electric Company and the New England Telephone and Telegraph Company rights of easement for one (1) pole location and wire rights on a public way bulkhead, Town Wharf, for the installation of a street light fixture to illuminate the Town Wharf float

area. Said pole and fixture were installed under temporary permission granted by the Board of Selectmen during 1962.

Article 67. To see if the Inhabitants of the Town of Plymouth will vote to grant the Plymouth County Electric Company and the New England Telephone and Telegraph Company rights of easement for one (1) pole location and wire rights on and over land of the Town of Plymouth shown as Lot #27 on Plat #104 of the Assessors' Plans. Said location to be adjacent to the intersection of the southerly sideline of Plympton Road, so-called, and the Plymouth-Kingston Town line shown on said plan.

The Committee recommends favorable action.

Voted: (Unanimously) That the Town authorize the Selectmen to grant the Plymouth County Electric Company and the New England Telephone and Telegraph Company rights of easement for one (1) pole location and wire rights on and over land of the Town of Plymouth shown as Lot #27 on Plat #104 of the Assessors' Plans. Said location to be adjacent to the intersection of the southerly sideline of Plympton Road, so-called, and the Plymouth-Kingston line shown on said plan.

Article 68. To see what action the Town will vote to take with regard to certain unexpended appropriation balances.

The Committee recommends No Action.

To see what action the Town will vote to take with regard to certain unexpended appropriation balances.

Voted: That the Town take no action under Article 68.

Article 69. To see if the Town will vote to have a Staff Study made of the Town Office Building and appropriate a sum therefor.

The Committee recommends No Action.

To see if the Town will vote to have a Staff Study made of the Town Office Building and appropriate a sum therefor.

Voted: That the Town take no action under Article 69.

Article 70. To see if the Town will authorize the formation of a Capital Expenditures Planning Committee and take any action relative thereto.

The Committee recommends favorable action. A Capital Outlay Expenditures Committee will keep the Town informed with regard to the affect on the tax rate that present investment-type expenditure have caused, and it will project the affect that future anticipated investment-type capital expenditures, if accepted by the Town will cause. The information as to what, if any, large expenditures are anticipated should come from the Department heads and from Special Town Committees.

Voted: That the Town form a Capital Outlay Expenditures Committee of five members as follows: three to be appointed by the Selectmen initially for terms of one, two and three years respectively, and thereafter annual appointments of one member by the Selectmen for a term of three years; one to be appointed annually from and by the Advisory and Finance Committee, and one to be appointed annually from and by the Planning Board; Said Committee to serve in an advisory capacity and to report annually by December 21st to the Advisory and Finance Committee.

Article 71. To see what action the Town will take to correct the drainage problem in Manomet Heights, White Horse Beach.

By Petition: Sarah C. Nagle et al

The Committee recommends a committee of three be appointed by the Selectmen to study the problem.

Voted: That the own authorize the Selectmen to appoint a Committee of three to study the drainage problem in Manomet Heights, White Horse Beach, and report back at the next annual town meeting.

Article 72. To see if the Town will vote to sell to Gordon L. Howland, the land now leased on the Town Wharf Lot and shown as Lots 11A and 13 and a strip of land, 8.65 feet wide abutting Lots 14 and 14A on plan entitled "Land at Town Wharf, Plymouth, Mass., Scale: 1 inch = 40 feet; November 1, 1951, Edward Chase, Town Engineer."

By Petition: Gordon L. Howland et al

The Committee recommends favorable action.

Voted: Voting by a show of hands, 76 in the affirmative, 55 in the negative, that the Town authorize the Selectmen to sell to Gordon L. Howland the land now leased to him on

the Town Wharf at a sum determined by the Selectmen but not less than \$3,600, shown as Lots 11A, 13 and a strip of land 8.65 feet wide now known as Lot 11B abutting Lots 14 and 14A on plan entitled "Land at Town Wharf, Plymouth, Mass., Scale: 1 inch=40 feet; November 1, 1951, Edward Chase, Town Engineer."

Article 73. Will the Town authorize the transfer to the Park Department of the care, maintenance and landscaping of the 1960 Middle Street Parking Lot not including the policing and the operation and collections of the parking meters now assigned to the Police Department and appropriate funds therefor.

By Petition: Roy E. Beaman et al

The Committee recommends No Action.

Mr. Howard Barnes moved that the Town authorize the transfer to the Park Department of the care, maintenance and landscaping of the 1960 Middle Street Parking Lot, not including the policing or the operation and collections of the parking meters now assigned to the Police Department and appropriate the sum of \$900 to cover costs of landscaping materials and for labor.

Mr. Walter Haskell moved to amend Mr. Barnes' motion by referring the Middle Street Parking Lot to the Park Department for study and report to the Town before January 1, 1964, and it was so voted.

Article 74. Will the Town amend the Building Code as adopted March, 1956 under Article 110 adding a new paragraph (h) under Section 19 "Permits" as follows: "(h). Any fees for building permits issued under this code shall be fixed on or before May 1st in each year by the Inspector of Buildings and as approved by the Commission of Public Safety but the minimum fee shall be Five Dollars (\$5.00) per permit. The schedule of fees shall be published within 10 days in a newspaper published in the Town."

By Petition: Howard P. Barnes et al

The Committee recommends favorable action.

Voted: That the Town amend the Building Code as adopted March, 1956 under Article 110 adding a new paragraph (h) under Section 19 "Permits" as follows: "(h) any fees for building permits issued under this code shall be fixed on or before May 1st in each year by the Inspector of

Buildings and as approved by the Commission of Public Safety but the minimum fee shall be Five Dollars (\$5.00) per permit. The schedule of fees shall be published within 10 days in a newspaper published in the Town."

Voting by voice vote, the Moderator declared the motion carried.

Article 75. To see if the Town will amend the Plumbing By-laws as adopted March, 1956 under Article 111 by revising paragraph (b) under "Administration" so that it will read "b. Any fees for plumbing permits shall be fixed by the Administrative Authority on or before May 1st in each year, but the minimum fee shall be Four Dollars (\$4.00) per permit. Any fee schedule so fixed shall be published in the first issue of a newspaper published in the Town following said date."

By Petition: Howard P. Barnes et al

The Committee recommends favorable action, and the words Commission of Public Safety be added after the words Administrative Authority.

Voted: That the Town amend the Plumbing By-Laws as adopted March, 1956 under Article 111 by revising paragraph (b) under "Administration" so that it will read "b. Any fees for plumbing permits shall be fixed by the Administrative Authority, the Commission of Public Safety, on or before May 1st in each year, but the minimum fee shall be Four Dollars (\$4.00) per permit. Any fee schedule so fixed shall be published in the first issue of a newspaper published in the Town following said date."

Voting by voice vote, the Moderator declared the motion carried.

Article 76. To see if the Town will vote to instruct the Districting Board to look into the feasibility of establishing a voting precinct in the Cedarville-Ellisville area.

By Petition: Peter F. Costello et al

The Committee recommends No Action.

Mr. Charles Sanderson moved that the Town take no action under Article 76.

Mr. Peter Costello moved to amend the motion of Mr. Sanderson by the following: That the Town instruct the Moderator to appoint a Committee to look into the feasibility

of establishing a voting precinct in the Cedarville-Ellisville area, and report to the Districting Board of their findings on or before the next special or annual town meeting, and it was so voted.

Article 77. To see what amount the Town will vote to transfer from available funds to reduce the tax levy of the current year.

The Committee recommends \$100,000.

Voted: That the Town authorize and direct the Assessors' to take \$100,000 from available funds to reduce the Tax Levy of the current year.

Article 78. To see what amount the Town will vote to transfer from available funds for the Stabilization Fund as authorized by the provisions of Chapter 124 of the Acts of 1945.

The Committee recommends \$75,000.

Voted: That the Town transfer from available funds the sum of \$75,000 for the Stabilization Fund, as authorized by the provisions of Chapter 124 of the Acts of 1945 and recommended by the Advisory and Finance Committee.

Mr. Walter Haskell moved that it be resolved that this Town Meeting, in adjournment, express its thanks and appreciation to the time and efforts of the Advisory and Finance Committee; to express further its appreciation to the co-operation and understanding given by town departments and petitioners; and express words of commendation to the fine manner of the Moderator in conducting this 1963 Annual Town Meeting.

At 12:05 A.M. Mr. Edward Chase moved that the Meeting adjourn, and it was so voted.

Total Appropriations \$4,611,430.03

M. HERBERT CRAIG
Town Clerk

Report of the Personnel Board

In December of 1961 a complete survey was conducted by Charles Evans and Associates, Consultants in Public Administration and Finance, for the Town of Plymouth. This survey pertained to updating job descriptions of town employees who are within the scope of the Personnel Board, and a comparison of salaries of twenty other towns comparable to the Town of Plymouth. Through this survey, the consultants reclassified all positions and established compensation grades using the average wage throughout the town and compensation grades of town employees in the comparable towns as a barometer. Another chore completed by the consultants, was to compose a Personnel By-Law pertaining to fringe benefits, etc. The revised Classification and Compensation Plan and Personnel By-Law was adopted by the Town of Plymouth in its entirety at the March 1962 Town Meeting.

It was understood by the Personnel Board, who explained this to the Town Meeting Representatives, that because this survey was conducted in a minimum of time, that some inequities might possibly come to light and we would endeavor to study and correct them as they were brought to our attention. The amendments contained in the reprinted Personnel By-Law herein, resulted from petitions to the Personnel Board and study by the Board.

The Personnel Board recommends to the Town that all compensation grades listed under Schedule B, C and D and Sections 9, 10 and 11 be increased by 3%. This recommendation is based on the cost of living index of the State of Massachusetts which shows an increase of 2½% from October of 1961 to October of 1962.

The Police and Fire Salary committees petitioned the Personnel Board for a 5% increase due to a study made by them of several comparable towns. Out of seventeen fire departments averaging \$5033 annual salary, Plymouth ranked eleventh with \$4820 annual salary. Of twenty-one police departments average \$5032 annual salary, Plymouth rated thirteenth with \$4820. The 3% which the Personnel Board recommends will bring Plymouth Police and Fire Departments to \$4964.

A petition was received from the Pumping Station Engineer, through the Water Commissioners, requesting the Personnel Board to study his job description for the purpose of changing his Compensation Grade. This was done and the Board unanimously recommends that this position be changed from S-14 to S-15.

A petition was received from the Board of Selectmen requesting the Personnel Board to review the job description of the Harbormaster. After much discussion, study and investigation, the Board recommends that the Harbormaster's Compensation Grade be changed from S-13 to S-14.

Another petition was received from the Board of Selectmen requesting a classification for Information Aid Supervisor. The Personnel Board studied this request and we are recommending that this title be included in Schedule A under Clerical Group and also included in Schedule D at \$1.44 per hour.

The third request from the Board of Selectmen was to classify a position that would serve as a trainee for the position of Secretary to the Board of Selectmen. The Personnel Board studied this request and we are recommending that this position be classified as a Junior Clerk — Compensation Grade S-1.

The Commission of Public Safety petitioned the Personnel Board to change the classification of the Sanitarian from S-17 to S-21. The Personnel Board studied this request and asked for a revised job description. We are not recommending any change in classification for the Sanitarian.

The Water Commissioners petitioned the Personnel Board to change the Compensation Grade and Class Title of Administrative Assistant (Water) S-13. The Commissioners stated that the present individual holding this position has attained the knowledge and experience necessary to promote him to Assistant Water Superintendent but this couldn't be done unless a Class Title and Compensation Grade for this position is established. After studying this petition the Personnel Board unanimously recommends that Administrative Assistant (Water), S-13, be changed to Assistant Water Superintendent, S-15.

The Personnel Board further recommends that Section 6 sub-chapter c, Section 15 sub-section (f) and Section 17 sub-

sections (aa), j, and k, be accepted as printed elsewhere in the report of the Advisory and Finance Committee of which this report is part of.

A petition was received from the Police Department requesting that Section 19, Bereavement Leave, be amended to include mother-in-law, father-in-law, sister-in-law and brother-in-law. The Personnel Board unanimously voted to amend Section 19, Bereavement Leave to read as follows:

Emergency leave up to three days may be allowed for death in an employee's immediate family (wife, husband, mother, father, child, brother or sister), mother-in-law and father-in-law.

A petition was received from the Board of Assessors requesting a change in classification pertaining to the Senior Clerk and Senior Account Clerk in their office. After studying this request the Personnel Board voted to propose a change in their classifications to Senior Billing Clerk S-6 and Senior Account Billing Clerk S-7.

Respectfully submitted,

JOHN J. PACHECO, Chairman

ELMER M. HASKINS

GEORGE W. BUTTERS

Classification and Compensation Plans and Personnel By-Law

RECOMMENDED BY THE PERSONNEL BOARD

Section 1. Authorization

Pursuant to the authority contained in Section 108A of Chapter 41 of the General Laws there shall be established plans, which may be amended from time to time by vote of the Town at a Town meeting; (a) classifying positions in the service of the Town, other than those filled by popular election, those under the direction and control of the School Committee, those under the jurisdiction of the Board of Public Welfare or under the jurisdiction of the Board of Retirement, the position of Town Counsel, certain positions for which the compensation is on a fee basis or the incumbents of which render intermittent or casual service and which do not appear in Schedule A of Section 8 following, into groups and classes doing substantially similar work or having substantially equal responsibilities; (b) authorizing a compensation plan for positions in the classification plan and (c) providing for the administration of said classification and compensation plans.

Section 2. Definitions

As used in this by-law, the following words and phrases shall have the following meanings unless a different construction is clearly required by the context or by the laws of the Commonwealth:

“Town,” the Town of Plymouth;

“Civil Service Law,” Chapter 31 of the General Laws of the Commonwealth, as amended and all rules and regulations made thereunder; and any special law enacted by the General Court regulating the classification, compensation and conditions of employment of officers and employees of the Town under Chapter 31;

“Classification Plan,” class titles of Schedule A of Section 8 of this by-law plus class specifications which are on file with the Personnel Board and which are hereby incorporated by reference;

“Class,” a group of positions in the Town service sufficiently similar in respect to duties and responsibilities so that the same descriptive title may be used to designate each position allocated to the class, that the same qualifications shall be required of the incumbents, that the same tests of fitness may be used to choose qualified employees and that the same scale of compensation can be made to apply with equity;

“Position Class,” same as class (a class may include only one position in which event it is defined as a “single position class”);

“Group,” an occupational group of classes appearing in Schedule A of Section 8;

“Department Head,” the officer, board, or other body having immediate supervision and control of a department;

“Employee,” an employee of the Town occupying a position in the classification plan;

“Department,” any department, board, committee, commission or other agency of the Town subject to this by-law;

“Administrative Authority,” the elected official or board, or the appointed official having jurisdiction over a function or activity;

“Full-time employment,” employment for not less than seven and one-half hours per diem for five days a week for fifty-two weeks per annum, minus legal holidays and authorized vacation leave, sick leave, bereavement leave, and other leave of absence;

“Part-time employment,” employment for less than full-time employment, as defined above;

“Continuous employment,” employment uninterrupted except for required military service and for authorized vacation leave, sick leave, bereavement leave, or other leave of absence;

“Full-time employee,” an employee retained in full-time employment;

“Part-time employee,” an employee retained in part-time employment;

“Position,” an office or post of employment in the Town service with duties and responsibilities calling for the full-

time or part-time employment of one person in the performance and exercise thereof;

“Permanent position,” any position in the Town service which has required or which is likely to require the services of an incumbent without interruption for a period of more than six calendar months, either on a full-time or part-time employment basis;

“Permanent employee,” (1) any employee retained on a continuing basis in a permanent position, as defined above; (2) any employee holding a permanent appointment under Civil Service Law to a position deemed permanent within the meaning of said law;

“Temporary position” or “seasonal position,” any position in the Town service which requires or is likely to require the services of one incumbent for a period not exceeding six calendar months; a seasonal position requiring less than the work week of its occupation group shall be considered as part-time;

“Temporary employee,” (1) an employee retained in a temporary or seasonal position as defined above; (2) any employee holding a temporary appointment under Civil Service Law who does not also have permanent status thereunder;

“Intermittent service,” personal service rendered by an employee in a position calling for part-time employment, which service although constituting continuous employment is not rendered during prescribed working hours, daily, weekly or annually, but is rendered as required, according to the demands for such service;

“Casual service,” personal service rendered by an employee in a position calling for part-time employment, which service does not constitute continuous employment; this service is rendered occasionally and without regularity according to the demands therefor;

“Compensation Plan,” Schedules B through D in Section 8;

“Compensation Grade,” a range of salary or wage rates appearing on Schedule B or Schedule C of Section 8;

“Rate,” a sum of money designated as compensation for hourly, weekly, semi-monthly, monthly or annual personal services;

“Minimum Rate,” the rate in a range which is normally the hiring rate of a new employee;

Maximum Rate,” the highest rate in a range which an employee normally is entitled to attain;

“Range,” the dollar difference between minimum and maximum rates;

“Personal Rate,” a rate above the maximum rate applicable only to a designated employee;

“Step Rate,” a rate in a range of a compensation grade;

“Increment,” the dollar difference between step rates;

“Promotion,” a change from a position of lower class and compensation grade to a position with greater responsibilities in a higher class and compensation grade;

“Board,” the Personnel Board as defined in Section 3.

Section 3. Personnel Board

(a) There shall be a Personnel Board consisting of three members responsible for the administration of the classification and compensation plans. The membership of the Board shall be as follows: — One member to be appointed by the Finance Committee; one employee, who does not serve the Town in an elective capacity, to be appointed by the Board of Selectmen; one citizen of the Town, who does not serve the Town in either an appointive or elective capacity, to be appointed by the Moderator. The term of office shall be for three years; members of the Board at the time this by-law is adopted will continue in office until the terms to which they were appointed have expired. Vacancies, other than by expiration of terms, shall be filled in the same manner and by the same authority for the balance of the unexpired term.

(b) The Board shall be invested with all the powers and duties specified in Section 108C of Chapter 41 of the General Laws.

(c) The Board shall administer the plans and shall establish such procedures as it deems necessary for the proper administration thereof.

(d) Forthwith after its appointment and annually, the Board shall meet and organize by electing a chairman and appointing a secretary. A majority of the Board shall constitute a quorum for the transaction of business. A majority

vote of the Board shall determine the action the Board must take in all matters upon which it is authorized or required to pass under this by-law.

(e) The Board may employ assistance and incur expenses as it deems necessary subject to the appropriation of funds thereof.

(f) The Board shall maintain adequate personnel records of all employees occupying positions subject to the classification and compensation plans, said records to be kept in its custody. Department Heads shall provide such information as the Board may request.

(g) The Board shall maintain written job descriptions or specifications of the classes in the classification plan, each consisting of a statement describing the essential nature of the work and the characteristics that distinguish the class from other classes. The description for any class shall be construed solely as a means of identification and not as prescribing what the duties or responsibilities of any position shall be, or as modifying, or in any way affecting, the power of any administrative authority, as otherwise existing, to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

(h) The Board shall make an annual report in writing to the Board of Selectmen on or before January 20 of each year.

Section 4. Classification Plan

(a) All positions in the service of the Town except those excluded in Section 1 are hereby classified by titles appearing in Schedule A of Section 8 which is made a part hereof. These classes of positions shall constitute the Classification Plan for the paid Town service, within the meaning of Section 108A of Chapter 41 of the General Laws, as amended.

(b) Whenever a new position is established, or the duties of an existing position are so changed that in effect a new position is created, upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall allocate such new or changed position to its appropriate class, as hereinafter provided.

(c) The title of each class, as established by the Classification Plan shall be the official title of every position allo-

cated to the class and the official title of each incumbent of a position so allocated, and shall be used to the exclusion of all others on payrolls, budget estimates and other official records and reports pertaining to the position.

(d) No position may be reclassified or no class may be assigned to a different compensation grade, until the Personnel Board shall have determined such reclassification or such reassignment to be consistent with the classification and compensation plans.

Section 5. Compensation Plan

(a) The Compensation Plan shall consist of Schedules B through D in Section 8 which provide minimum and maximum salaries or wages for certain of the classes in the Classification Plan. The salary range of a position class shall be the salary range of all positions allocated to the class.

(b) All employees shall continue to be paid on an hourly, weekly, semi-monthly, annual, or other basis, as at present, except as provided in the compensation plan, unless otherwise authorized by the Personnel Board.

(c) No department head shall fix the salary of any employee in a position so classified except in accordance with the compensation plan.

(d) No person shall be appointed, employed or paid as an employee in any position subject to the provisions of the classification plan under any title other than those appearing on Schedule A of Section 8.

(e) An employee in continuous full-time or part-time employment shall receive the increment between his present rate and the next higher step rate as follows:

- (1) On January first provided he has completed thirty weeks service at the minimum or other rate if a rate other than the minimum is authorized as the entrance rate.
- (2) Thereafter one year from the date of his previous increase until he attains the maximum rate of the range of the compensation grade to which his position class is assigned.
- (3) Employees in continuous part-time employment eligible for increments under the provisions of this sub-section shall be those occupying posi-

tions in classes for which compensation is provided in Schedule B or Schedule C of Section 8.

(f) An employee occupying a seasonal position in a class for which compensation is provided in Schedule B or Schedule C or Section 8 shall receive increments as provided in the preceding sub-section on the basis of thirty weeks employment constituting one year. This employment need not be continuous but to retain any rate above the entrance rate, the employee must work some part of each subsequent year.

(g) An employee receiving a promotion to a vacant position or to a new position as defined in Section 4 (b) shall, upon assignment resulting from such promotion, receive the rate in the compensation grade of the vacant or new position next above his existing rate. If the resulting adjustment does not equal \$100.00 for a position class assigned to Schedule B or \$.05 for a position class assigned to Schedule C, the adjustment shall be to the second rate above the existing rate but within the compensation grade of the vacant or new position.

(h) The employee receiving a promotion and adjustment in rate pursuant to the provisions of the preceding sub-section shall receive the next increment of his compensation grade effective the next January first following completion of thirty weeks at the rate resulting from the promotion.

(i) Each department head of a department to which is assigned an employee occupying a position in the classification plan shall include in his estimates required by the provisions of Section 59 of Chapter 41 of the General Laws a pay adjustment section setting forth in detail the amounts which will be required for anticipated pay adjustments during the ensuing year and shall furnish a copy thereof to the Board.

(j) The adjustments provided for in this section shall be subject to the availability of appropriated funds.

Section 6. Amendment of the Plans

(a) The classification plan and/or the compensation plan and/or other provisions of this by-law may be amended by vote of the Town at either a regular or a special Town Meeting. Requests for such amendments shall be made to the Board by signed petition. Whenever such a petition is received, the Board shall promptly hold a hearing to consider such proposed amendment, and the petitioners and the heads

of the departments affected shall be given at least three days written notice. Prior to the next Town Meeting, the Board shall file with the Selectmen for insertion in the warrant for the next Town Meeting an article sufficiently stated to permit the Town to act upon the subject matter of any such petition. At the same time the Board shall file with the Finance Committee a final report, with recommendations, pertaining to any such petition, provided, that no recommendation in favor of a proposed amendment shall be made except by an affirmative vote of two of its members.

(b) The Board may, from time to time of its own motion, hold a hearing to consider any proposed amendment. In the event said proposed amendment is supported by an affirmative vote of two of its members, the Board shall proceed according to the preceding sub-section to insert an article in the warrant and to report its recommendation to the Finance Committee.

(c) In the case of urgent necessity, the Personnel Board, with the approval of the Finance Committee, may anticipate the formal action of the town meeting by adding a new classification and the salary or wage thereof to the classification and pay plan and such addition will be effective subject to early ratification by the town at a town meeting.

Section 7. Continuing Review

(a) The Board from time to time of its own motion, shall investigate the work and standard rates of salaries or wages of any or all positions subject to the provisions of this by-law. Such reviews shall be made at such intervals as the Board deems necessary and, to the extent which the Board considers practicable, shall include all occupational groups in the classification plan.

(b) The Board shall consider changes in departmental organization structure, operating procedures or work load which may result in service rendered by an employee occupying a position changing from intermittent or casual to continuous employment. Such a change may be the basis of a recommendation by the Board to amend the compensation plan so that a position class found to require continuous employment would be moved from Schedule D to Schedule B or Schedule C of Section 8.

Section 8. Position Classes; Salary, Wage and Miscellaneous Compensation Schedules

The following schedules, together with class specifications previously incorporated by reference, constitute the classification and compensation plans of the Town as defined in Section 2:

SCHEDULE A — Classification of Positions by Occupational Groups and Assignment to Compensation Grades or to the Miscellaneous Schedule

SCHEDULE B — Annual Salary Schedule

SCHEDULE C — Hourly Wage Schedule

SCHEDULE D — Miscellaneous Compensation Schedule for Part-Time and Seasonal Positions

SCHEDULE D

Miscellaneous Compensation Schedule

For Part-Time and Seasonal Positions

| | | | |
|--|-----------|----------|-----|
| Airport Manager (P. T.) | \$927 | (annual) | |
| Animal and Slaughtering Inspector (P. T.) | 927 | (annual) | |
| Call Fire Fighter (P. T.) 1.65 hr. (a) + | 185 | (annual) | |
| Call Fire Lieut. (P. T.) 1.75 hr. (a) + | 216 | (annual) | |
| Call Fire Captain (P. T.) 1.75 hr. (a) + | 247 | (annual) | |
| Caretaker (P. T.) | 445 | (annual) | (b) |
| Caretaker (Seasonal) | 73.75 | (week) | (c) |
| Clerical Aide (P. T.) | 1.25 | (hour) | |
| Dog Officer (P. T.) | 2472 | (annual) | |
| Finance Committee Sec'y (P. T.) | 773 | (annual) | |
| Information Aide (P. T.) | 1.29 | (hour) | |
| Information Aide Supervisor (P. T.) | 1.44 | (hour) | |
| Library Page (P. T.) | 1.18 | (hour) | |
| Life Guard (Seasonal) | 65.66 | (week) | (d) |
| Manomet Librarian (P. T.) | 695 | (annual) | |
| Matron (P. T.) | 1.29/1.55 | (hour) | (e) |
| Personnel Board Sec'y (P. T.) | 206 | (annual) | |
| Parking Attendant (Seasonal) | 1.65 | (hour) | |
| Playground Instructor (Seasonal) | 49.44 | (week) | |
| Recreation Supervisor (Seasonal) | 64.89 | (week) | |
| Police Matron (P. T.) | 1.55 | (hour) | |
| Public Health Physician (P. T.) | 927 | (annual) | |
| Reserve Patrolman (P. T.) | 15.66 | (day) | (f) |
| Sealer of Weights and Measures (P. T.) | 1236 | (annual) | |
| School Traffic Supervisor (P. T.) | 20.60 | (week) | |
| Swimming Instructor (Seasonal) | 49.44 | (week) | |
| Town Engineer (P. T.) | 2472 | (annual) | |

(a) Hourly rate for forest fires only pursuant to departmental rules and regulations.

- (b) If service less than 12 months rate is \$36.00 per month.
- (c) Less value of concession as determined by Park Commissioners.
- (d) If less than 40 hours, rate is \$1.65 per hour.
- (e) Park Dept., 1.29; other, \$1.55.
- (f) If less than eight hours, rate is \$1.96 per hour.

Section 9. Part-time Positions Classified in Clerical Group

Employees occupying clerical positions in continuous part-time employment shall be compensated at hourly rates appearing in the following schedule which is hereby incorporated in the compensation plan:

| Compensation Grade | Minimum | II | III | IV | Maximum |
|-----------------------|---------|--------|--------|--------|---------|
| S-1 | \$1.33 | \$1.38 | \$1.43 | \$1.49 | \$1.56 |
| S-5 | 1.55 | 1.62 | 1.68 | 1.75 | 1.82 |
| S-6 | 1.62 | 1.68 | 1.75 | 1.82 | 1.90 |
| S-7 | 1.68 | 1.75 | 1.82 | 1.90 | 1.97 |

Section 10. Part-time Positions Classified in the Library Group

Employees occupying library positions in continuous part-time employment shall be compensated at hourly rates appearing in the following schedule which is hereby incorporated in the compensation plan.

| Compensation Grade | Minimum | II | III | IV | Maximum |
|-----------------------|---------|--------|--------|--------|---------|
| S-2 | \$1.30 | \$1.35 | \$1.40 | \$1.46 | \$1.52 |
| S-4 | 1.40 | 1.46 | 1.52 | 1.59 | 1.65 |

Section 11. Part-time Positions Classified in the Custodial Group

Employees occupying custodial positions in continuous part-time employment shall be compensated at hourly rates appearing in the following schedule which is hereby incorporated in the compensation plan.

| Compensation Grade | Minimum | II | III | IV | Maximum |
|-----------------------|---------|--------|--------|--------|---------|
| S-8 | \$1.49 | \$1.56 | \$1.62 | \$1.68 | \$1.75 |
| S-9 | 1.56 | 1.62 | 1.68 | 1.75 | 1.82 |

Section 12. Fringe Benefits and Working Conditions

(a) Pursuant to the authority contained in Section 108C of Chapter 41 of the General Laws, certain fringe benefits as set forth in subsequent sections of this by-law are hereby granted to employees occupying positions in the classification plan. The fringe benefits are considered to be a part of the compensation plan and the monetary value thereof shall be extended to eligible employees in addition to rates set forth in the appropriate salary or wage schedule.

(b) Additional fringe benefits and/or working conditions may be added to the by-law or fringe benefits and/or working conditions may be amended from time to time by vote of the Town at a Town Meeting.

Section 13. Initial Application of the Compensation Plan

(a) Upon the adoption of this by-law, salary and wage rates for affected employees shall be adjusted as follows:

- (1) Retroactive to the first of the year of adoption if at the annual Town Meeting.
- (2) Effective the beginning of the month following adoption if at a special Town Meeting prior to the establishment of the tax rate for that year.
- (3) Effective the January first following adoption if at a special Town Meeting later than the establishment of said tax rate.

(b) The rate of each employee occupying a position, the compensation of which is provided for in Schedule B or Schedule C of Section 8 shall be adjusted, based on his prior service in said position, according to the formula set forth in Section 5 (e) or 5 (f).

(c) The rate of each employee occupying a position, the compensation of which is provided for in Schedule D of Section 8 shall be adjusted to the rate for his position class as set forth in this schedule.

(d) If an employee's rate at the time of the adoption of this by-law is in excess of the maximum rate set forth in his appropriate compensation grade in Schedule B or Schedule C of Section 8 or is in excess of the rate set forth for his position

class in Schedule D of Section 8, this rate shall not be reduced but shall become a personal rate applicable only to said employee as defined in Section 2.

(e) The adjustments provided for in this section shall be subject to the availability of appropriated funds.

Section 14. Work Week

The work week for full-time or seasonal employment in each occupational group shall be as follows:

| Group | Work Week | |
|----------------------|-------------|-------|
| Clerical Group | 37.5 hours | |
| Library Group | 40 | " |
| Recreation Group: | | |
| Instructors | 30 | " |
| Supervisor | 35 | " |
| Life Guards | 40 | " |
| Custodial Group | 44-48 | " (a) |
| Labor Group | 40-48 | " (a) |
| Public Safety Group: | | |
| Police (full-time) | 40 | " |
| Fire (full-time) | 56 | " (b) |
| Others | As Required | |
| Administrative Group | As Required | |
| Supervisory Group | As Required | |

- (a) As set forth by departments in Exhibit B of the Wage and Salary Classification by-law effective as of January 1, 1961.
- (b) Member of uniformed force assigned as departmental master mechanic considered in Administrative Group while performing the duties of this position.

Section 15. Overtime Compensation

(a) Clerical Group

An employee shall be compensated at the hourly rate set forth in Section 9 which corresponds to his step rate designation in the corresponding compensation grade on Schedule B, Section 8, for hours worked in excess of those constituting his work week as set forth in Section 14 except for attendance at evening meetings which shall be considered as part of the basic work week of 37.5 hours.

(b) Library Group

An employee shall be compensated at the hourly rate set forth in Section 10 which corresponds to his step rate designation in the corresponding compensation grade in Schedule B, Section 8, for hours worked in excess of those constituting his work week as set forth in Section 14.

(c) Custodial Group

Positions classified in this group may receive compensation at the hourly rates set forth in Section 11 for hours worked in excess of forty-four weekly.

(d) Labor Group

An employee shall be compensated at one and one-half times his regular hourly rate for hours worked in excess of those set forth for the department to which he is assigned, incorporated in Section 14 by reference.

(e) Public Safety Group

(1) An employee in full-time employment called back for duty on his scheduled day off shall receive one fifth of his weekly rate for such duty provided the duty consists of an assigned shift of not less than eight hours.

(2) An employee of the Fire Department in full-time employment who responds to a box alarm pursuant to the administrative rules of the department may be compensated at an hourly rate determined by the Public Safety Commission which rate shall not exceed one-fortieth of the employee's weekly rate.

(3) An employee of the Police or Fire Departments in full-time employment who is required to work more than one hour beyond his scheduled tour of duty may be compensated at an hourly rate determined by the Public Safety Commission which rate shall not exceed one-fortieth of the employee's weekly rate.

(4) Nothing in the preceding sub-section shall be construed to permit the payment of such overtime rate for court appearances on the part of an employee during other than his assigned shift.

(5) An employee in other than the Police or Fire

Departments shall not receive overtime compensation. However, nothing in this sub-section shall be construed to deny compensation to an employee on an hourly rate in the group at his hourly rate multiplied by the number of hours worked and approved by his department head for any designated pay period.

(f) Administrative and Supervisory Groups

(1) Employees occupying positions classified in these groups are not entitled to overtime compensation as set forth in Section 14, except as provided in the paragraph below. However, compensatory time may be granted an employee at the convenience of his department head for hours worked and approved in excess of forty in any one week.

(2) Highway foremen shall during snow plowing, sanding or snow removal operations, be paid for hours worked in excess of forty in one week at $1\frac{1}{2}$ times the hourly rate appearing in Compensation Grade W-10. If the employee's regular rate is Step 3 or below in Compensation Grade S-12, he shall be paid at $1\frac{1}{2}$ times the minimum rate of Compensation Grade W-10; if above Step 3, he shall be paid at $1\frac{1}{2}$ times the appropriate rate above the minimum.

Section 16. Paid Holidays

(a) The following days or dates shall be recognized as legal holidays within the meaning of this by-law:

| | |
|-----------------------|---|
| New Year's Day | First day of January |
| Washington's Birthday | 22nd of February |
| Patriots Day | 19th of April |
| Memorial Day | 30th of May |
| Independence Day | 4th of July |
| Labor Day | First Monday of September |
| Columbus Day | 12th of October |
| Veterans' Day | 11th of November |
| Thanksgiving Day | The Thursday in November so proclaimed |
| Christmas Day | 25th of December |

on which days employees shall be excused from all duty not required to maintain essential Town services.

(b) Every employee in full-time or continuous part-time employment shall be entitled to these designated holidays on the following terms:

(1) If paid on an hourly basis he shall receive one day's pay at his regular rate based on the number of hours regularly worked on the day on which the designated holiday occurs;

(2) If paid on a weekly, semi-monthly or annual basis, he shall be granted each designated holiday without loss in pay.

(c) Payment under the provisions of this section shall be made provided the eligible employee shall have worked on his last regularly scheduled working day prior to and his next regularly scheduled working day following such holiday, or was in full pay status on such preceding and following days in accordance with other provisions of this by-law.

(d) An employee in continuous employment, occupying a position in other than the Public Safety or Supervisory Groups who performs work on one of the days designated in sub-section (a) shall be paid at his regular rate for such day or fraction thereof (except as provided under sub-section (g), following) in addition to the amount to which he is entitled under sub-section (b).

(e) At the request of the employee, he may be granted compensatory time off at the convenience of the department in lieu of payment provided under sub-section (d).

(f) An employee in continuous employment, in other than the Police or Fire Departments, who, because of a rotation of shifts, works different days in successive weeks shall be granted, in each year in which the number of holidays falling on his regular days off is in excess of the number of holidays in that year falling on Saturday, additional days off equal to the excess.

(g) An employee in continuous employment, who performs scheduled inspection or maintenance work for part of one or more of the days or dates designated in sub-section (a) shall be entitled to one additional day off each year if he is required to perform duties on three such days or dates in a period of twelve months.

(h) Whenever one of the holidays set forth in sub-section (a) falls on a Sunday, the following day shall be the legal holiday.

Section 17. Vacation Leave

(a) An employee in continuous service shall be granted two weeks vacation with pay provided he has completed thirty weeks of service prior to June first.

(aa) An employee with less than thirty weeks of continuous employment as of June 1st shall be granted one day of vacation for each full month of continuous service completed prior to June 1st but not to exceed one week of vacation.

(b) The employee eligible for the vacation allowance provided under sub-section (a) must complete this allowance within fourteen consecutive calendar days beginning on a scheduled work day or within two periods of seven consecutive days each beginning on a scheduled work day.

(c) Exceptions to the requirements of sub-section (b) permitting an employee to schedule his vacation allowance in a different manner may be made with the approval of the employee's department head if his scheduled work week is Monday through Friday or part thereof.

(d) In addition to the vacation allowance provided in sub-section (a), each employee who has (or will have) completed ten years of service shall, in the year during which this length of service has been or will have been completed, be granted additional vacation with pay at the rate of one day for each year in excess of nine years of completed service up to a maximum allowance of fifteen days to which the employee shall be entitled in the year during which fourteen years of service has been or will have been completed.

(e) Vacation allowance granted under sub-section (d) shall be taken separately from that granted under sub-section (a) unless approved by the employee's department head and the Personnel Board.

(f) Upon the death of an employee who is eligible for vacation under these rules, payment shall be made to the estate of the deceased in an amount equal to the vacation allowance as accrued in the vacation year prior to the employee's death but which had not been granted. In addition,

payment shall be made for that portion of the vacation allowance earned in the vacation year during which the employee died up to the time of his separation from the payroll.

(g) Employees who are eligible for vacation under these rules and whose services are terminated by dismissal through no fault or delinquency of their own, or by retirement, or by entrance into the armed forces, shall be paid an amount equal to the vacation allowance as earned, and not granted, in the vacation year prior to such dismissal, retirement, or entrance into the armed forces. In addition, payment shall be made for that portion of the vacation allowance earned in the vacation year during which such dismissal, retirement, or entrance into the armed forces occurred up to the time of the employee's separation from the payroll.

(h) Absences on account of sickness in excess of that authorized under the rules therefor or for personal reasons as provided for under other leave may, at the discretion of the department head, be charged to vacation leave.

(i) An employee, unless receiving pay for such a day or date under the provisions of Section 17A of Chapter 147 or Section 57A of Chapter 48 of the General Laws, shall be granted an additional day of vacation if, while on vacation leave, a designated holiday occurs which falls on or is legally observed on Monday, Tuesday, Wednesday, Thursday or Friday.

(j) Vacation allowances provided under the terms of this section will be calculated on a twelve month period commencing on June 1st and ending on May 31st and these allowances must be taken in the twelve months period that immediately follows. In unusual circumstances, exceptions may be granted by the Personnel Board upon recommendations of department heads. Such vacation shall be granted by the head of the respective department of the Town at such time as, in his opinion, will cause the least interference with the performance of the regular work of the Town.

(k) An employee shall not be allowed to work during his vacation leave and be compensated with extra pay without approval of the department head and the Personnel Board.

Section 18. Sick Leave

(a) An employee in continuous employment who has completed thirty weeks of service following original employ-

ment shall be allowed fifteen days leave with pay each calendar year or one and one-quarter days for each month thereof if in any year his employment is less than thirty weeks, provided such leave is caused by sickness or injury or by exposure to contagious disease.

(b) An employee in continuous employment shall be credited with the unused portion of leave granted under sub-section (a) up to a maximum of sixty days.

(c) An employee in continuous employment shall, subject to the limitation of sub-section (b), be credited with three days unused leave for each year of employment or fraction thereof ending on December 31st prior to the adoption of this by-law. An employee occupying a temporary or seasonal position shall not be credited with unused sick leave beyond his current period of employment.

(d) If the amount of leave credit provided under sub-section (b) has been or is about to be exhausted, an employee may make application for additional allowance to that provided under sub-section (a). Such application shall be made to the Board which is authorized to grant such additional allowance as it may determine to be equitable after reviewing all circumstances including the employee's attendance and performance record prior to conditions supporting his request for the additional allowance.

(e) Sick leave must be authorized by the department head and must be reported, on blanks provided for same, to the Board.

(f) A physician's certificate of illness shall be submitted by the employee after three days absence to his department head before leave is granted under the provisions of this Section. This certificate shall be forwarded by the department head to the Board.

(g) The Board may of its own motion, require a medical examination of any employee who reports his inability to report for duty because of illness. This examination shall be at the expense of the Town by a physician appointed by the Board.

(h) Injury, illness or disability self-imposed, or resulting from the use of alcohol or drugs shall not be considered a proper claim for leave under this Section.

(i) Payments made under the provisions of this section shall be limited to an employee who is receiving Workmen's Compensation payments to the difference between the amount paid in Workmen's Compensation and the employee's regular rate.

(j) In the event of payments made to an employee under the preceding sub-section, the Board may debit the employee's sick leave accrual by such amounts as it determines to be equitable in relation to such payments.

(k) Nothing in this section shall be construed to conflict with Section 100 of Chapter 41 of the General Laws.

Section 19. Bereavement Leave

Emergency leave up to three days may be allowed for death in an employee's immediate family (wife, husband, mother, father, child, brother or sister), mother-in-law and father-in-law.

Section 20. Other Leave

Absences for personal reasons may be charged to vacation leave upon application by the employee and approved by his department head. Such absences, however, may not be charged to vacation leave beyond that which the employee has earned by the time of such application.

Section 21. Physical Examination

Before appointment to a position in the classification plan requiring continuous service or to a seasonal position designated by the Board, a candidate shall have passed a physical examination satisfactory to the Board. The examining physician shall be appointed by the Board and the examination shall be at the expense of the Town. The examining physician shall advise the Board as to whether or not, in his opinion, the applicant is physically qualified to perform the duties of the position for which application has been made and the applicant shall complete a questionnaire which the Board will design. The examining physician's report shall be confidential and shall be deposited with the Board of Retirement.

Section 22. Operation of By-Law

This By-Law shall be operative only as to employees whose positions are classified hereunder and for which posi-

tions minimum and maximum salaries, or single-rated salaries, have been established by vote of the Town at a Town Meeting.

Section 23. Civil Service Law

Nothing in this by-law shall be construed to conflict with Chapter 31 of the General Laws.

Section 24. Effect of Partial Invalidity

The invalidity of any section of this by-law shall not invalidate any other section or provision thereof.

REPORT OF PLYMOUTH HARBOR ADVISORY COMMITTEE

— Recommended Regulations —

I. GENERAL REGULATIONS

A. *Speed*

1. Watch your wake at all times.
2. Speed Limit — 6 M.P.H.

B. *Water Skiing*

1. No water skiing will be permitted in posted areas or anchorages.

C. *Harbor Pollution*

1. No oil shall be dumped or pumped overboard on-to the harbor.
2. No rubbish, debris, garbage or dead fish shall be discharged into Plymouth Harbor.
3. No boats or vessels shall run their engines with propellers engaged while tied to the docks. Boats requiring dock trials may do so with permission of the Harbor Master.
4. No derelict boats, motors, etc., shall be allowed in the Harbor or on the shores.

D. *Berthing*

1. Tie-up periods at Town Floats will be limited to 15 minutes. A tie-up time limit at the Town Floats or Piers for visitors at night, or boats with breakdowns, will be limited at the discretion of the Harbor Master.
2. The Outboard Club has permanent float privileges for two (2) tenders which are to be tied to the back of the Town Pier Float.
3. All craft entering Plymouth Harbor are subject to the direction of the Harbor Master who should be consulted before anchoring or tying up to any of the facilities or moorings.
4. All draggers while moored at docks shall have their trawl boards swung inside rails at all times.

5. Boat moorings cannot be rented by owners and are assignable when not in use only by the Harbor Master.
6. Boats shall not be tied to docks in dead storage for over four (4) weeks time, after which, upon notice from the Harbor Master, they shall be removed.

E. Float and Pier Rules

1. No fishing gear, equipment, or any other matter shall be allowed to remain on the docks or floats for over twenty-four (24) hours without permission of the Harbor Master.
2. No swimming will be allowed from the State Pier, Town Pier, or Floats attached to Public Docks in Plymouth Harbor.
3. There will be no soliciting from Town-owned Floats.

F. Conducts

1. Noise
 - a. Unmuffled noise from engines, outboards, amplifying systems, radios and the like shall be kept at a minimum when in the proximity of piers, floats or yacht anchorages.
2. Negligent Operation
 - a. No person shall operate any motorboat or any vessel in a reckless or negligent manner so as to endanger the life, safety, or property of any person.

II. MOORING REGULATIONS

A. Applications

1. Applications for permanent mooring space in all areas shall be dated, signed and filed with the Harbor Master. Permits will be granted by the Harbor Master in the order of application dated as locations become available. If the Harbor Master denies a mooring application, and the applicant can show just cause, he may request and receive

a hearing from the Board of Selectmen on his rights to have a mooring in Plymouth Harbor. All future moorings will be assigned a suitable space in accordance with the requirements of the boats: that is, length, draft, type or rig: and shall be placed at a locus designated by the Harbor Master. A mooring space relinquished for any reason by any boat owner immediately voids all rights to that mooring space.

Mooring space is not transferable to a new owner when a boat is sold.

B. Specifications — Minimum Requirements

1. Dredged Areas

a. Block or Mushroom

| Length of Boat | Mushroom | Cement Block or Equivalent |
|----------------|------------------------------------|----------------------------|
| 16'-20' | 150 # | 28"x28"x18" |
| 21'-26' | 250 # | 32"x32"x18" |
| 27'-32' | 500 # | 36"x36"x20" |
| 33'-38' | 800 # | 36"x36"x24" |
| 39'-42' | 1000 # | 42"x42"x24" |
| 43'-55' | 2 - 1000 # on bridle | 48"x48"x24" |
| 43'-55' | or 1500 # | |
| 56' and over | Subject to ruling by Harbor Master | |

Hairpins or eyes in blocks must be 25% heavier than chain specification.

b. Chain Size

| Length of Boat | Diameter |
|----------------|----------|
| 16'-20' | 1½" |
| 21'-26' | 1½" |
| 27'-32' | 5⁄8" |
| 33'-38' | 5⁄8" |
| 39'-42' | ¾" |
| 43'-55' | 7⁄8" |

c. Pennant Diameter

| Length of Boat | Nylon or Equivalent |
|----------------|---------------------|
| 16'-20' | 1½" |
| 21'-26' | 5⁄8" |
| 27'-32' | 1" |
| 33'-38' | 1⅛" |
| 39'-42' | 1¼" |
| 43'-55' | 1⅜" |

If other than nylon is used, the breaking strength must be equivalent to the diameters specified above.

d. Scope

Length of chain for flotation buoys—ocean floor to 2' above maximum high water.

Length of chain for spars—ocean floor to 2' above maximum high water less depth or length of spar beneath water line of spar at mean high water.

Length of pennant—2/3rds of length of boat measured in a straight line from extreme bow chock to stern of boat. This method of measurement to be used with cans, balls or synthetic flotation buoys. Pennants used with a spar shall include that length of the spar above the water at high tide to be included in the overall pennant length.

2. Non-Dredged Areas (Flats)

a. Block or Mushroom

| Length of Boat | Mushroom | Cement Block or Equivalent |
|----------------|----------|----------------------------|
| Under 16' | 50 # | 18" x 18" x 12" |
| 17'-20' | 100 # | 20" x 20" x 12" |
| 21'-26' | 150 # | 28" x 28" x 18" |
| 27'-32' | 200 # | 32" x 32" x 18" |

b. Chain Size

| Length of Boat | Diameter |
|----------------|-----------------------------------|
| Under 16' | $\frac{3}{8}$ " - $\frac{1}{2}$ " |
| 17'-20' | $\frac{1}{2}$ " |
| 21'-26' | $\frac{1}{2}$ " |
| 27'-32' | $\frac{5}{8}$ " |

c. Pennant Diameter

| Length of Boat | Nylon or Equivalent |
|----------------|---------------------|
| Under 16' | $\frac{1}{2}$ " |
| 17'-20' | $\frac{1}{2}$ " |
| 21'-26' | $\frac{5}{8}$ " |
| 27'-32' | $\frac{3}{4}$ " |

d. Scope

| Length of Boat | Scope |
|----------------|-------|
| Under 16' | 30' |
| 17'-20' | 34' |
| 21'-26' | 38' |
| 27'-32' | 40' |

- e. Boats moored on flats at 2.0' below Mean Low Water shall have their moorings completely buried with the eye of the block or mushroom at least 6" below level surface of the surrounding flat.

B. 3. *Special Areas*: Moorings in channels, Hobs Hole, Saquish Head, Goose Point, Cordage Channel or equivalent tidal condition area.

- a. Present moorings may stay at existing overall scope. If the Harbor conditions in these areas become congested in the future, moorings shall be shortened in these tidal areas with chain 2' above Mean High Water and the length of Pennant equal to length of boat.

- b. Special area moorings for small boats inside the Plymouth Town Wharf Basin and directly opposite the westerly jetty are to have the following regulations:

Moorings—To be spaced 20' apart and to have an overall length of scope of 14' from exposed flat to the bow chock of the boat.

Mushroom—50#

Block—18"x18"x12"

Chain— $\frac{3}{8}$ " to $\frac{1}{2}$ "

Scope—14'

Diameter of pennants, nylon or equivalent— $\frac{1}{2}$ "

4. All Areas

- a. Spars of present owners shall be upright at all times, at any period of tide, not less than 45°, and shall have a minimum exposed length of 24" above any tide level at all times.

- b. All spars, cans, balls or styrene or equivalent chain flotation buoys shall be plainly and clearly visible above any tide level at all times.
- c. The above described moorings shall be painted white, with a Blue Band, owner's or boat name, and length of boat on spar, can or buoy; also owner's name on mooring block or mushroom anchor.
- d. All new complete moorings placed or replaced in any location in Plymouth Harbor after April 1, 1963 shall conform to the regulations; and will be placed at a locus designated by the Harbor Master.
- e. Where winter spars or buoys are used, they shall be clearly visible or marked at all times except during ice conditions.
- f. Winter spars or buoys shall not be installed prior to September 15th and must be removed by June 1st.
- g. The Harbor Master will inspect all moorings monthly, commencing June 1st through September 1st of each year for flotation of cans, spars, balls or buoys, and notify owners in writing by Certified Mail if their cans, spars, balls or buoys do not conform with the Plymouth Harbor Mooring Regulations.
- h. All pennants shall be nylon or equivalent with adequate mooring devices, approved by the Harbor Master, to eliminate the hazard of chaffing. These will be checked annually by the Harbor Master. Certificates of inspection for defective moorings will be made by the Harbor Master and a copy held in his files showing conditions at the time of inspection.
- i. Owners with defective moorings shall be allowed seven (7) days after receiving notice from the Harbor Master to correct the defective conditions. If the defect is not corrected after this time, the owner will be subject to penalty in

conformance with the Code. The Harbor Master, upon finding a defective mooring, shall properly mark said mooring to show danger or obstruction.

- j. The Harbor Master shall order owners of moorings to have said moorings lifted, at owners expense, once each five (5) years for visual inspection by the Harbor Master to determine its condition. In lieu of lifting moorings, replacements may be made. Upon certification of moorings' fitness or replacement, owner may replace mooring at original locus.
- k. The Harbor Master shall keep a detailed description of all moorings, their locus and owner's name, telephone number, home and business address, date of mooring and the length and rig of the boat.

III CODE

A. *Penalties*

- 1. A fine not to exceed \$20.00 may be imposed for first offense infractions or disobedience to this Code of Regulations when State or Federal penalties do not apply. All other fines that are applicable are defined in Chapter 40 Section 21, General Laws.
- 2. Offenders will be prosecuted by the Harbor Master and all other enforcement agents.
- 3. Any individual violating any of the preceding rules, regulations, by-laws, or orders, may be cause for the Harbor Master's refusal to allow said individual with his vessel or craft from the harbor for such period of time as may be determined by the Harbor Master or the Board of Selectmen together with the necessary court action in cases of violation of the Motor Boat Law.

IV. PROPOSED RECOMMENDATIONS

- A. Harbor regulations will be effective as specified in Chapter 40 Section 32, General Laws, and publicized by the Town Clerk.
- B. A floating speed regulation sign reading **"Speed Limit — 6 M.P.H."** will be moored on the west side of the channel, 1000 feet southwest of Red Nun #14. A sign reading **"Welcome to Plymouth. Watch Your Wake at All Times"** will be placed at the entrance of the Harbor, locus about 1000 feet north of Nun #8. These signs will be moored at these locations from June 1st to October 1st of each year.
- C. All boats moored in dredged areas of Plymouth Harbor will pay an annual mooring fee for the privilege of maintaining a boat mooring in these areas. The fee will be 50¢ per foot measured from the stem in a straight line aft to the stern. Booms, boomkins or pulpits are exempt from this measurement.
- D. Commercial interests, party boats, fishing boats, Associations or Companies using the Town Pier for permanent moorings, float access, or gangways will pay an annual fee fairly determined by the Board of Selectmen.
- E. The Harbor Master's duties should be confined to Plymouth Harbor as it is defined by the U. S. Government.

Births Recorded in Plymouth in 1963

| ELMER R. HARLOW | 1918 - 1944 |

FIFTY-SECOND ANNUAL REPORT OF THE TOWN ACCOUNTANT

For the Year Ending December 31, 1963

To the Board of Selectmen

Town of Plymouth

Gentlemen:

I submit herewith report of the financial transactions of the Town of Plymouth for the year ending December 31, 1963.

As shown by the figures below, the financial condition of the Town is not improving.

| | Free Cash | Uncollected Taxes | Stabilization Fund | Outstanding Debt |
|--------------|-----------------------------|----------------------|-----------------------|---------------------|
| Jan. 1, 1958 | \$422,467.73 | \$167,403.57 | \$134,279.93 | \$972,000 |
| Jan. 1, 1959 | 582,160.03 | 163,989.17 | 163,849.04 | 838,000 |
| Jan. 1, 1960 | 592,392.16 | 199,472.64 | 245,054.00 | 707,000 |
| Jan. 1, 1961 | 555,724.45 | 222,843.12 | 329,765.35 | 681,000 |
| Jan. 1, 1962 | 694,411.97 | 211,247.86 | 418,362.67 | 570,000 |
| Jan. 1, 1963 | 591,962.01 | 288,365.92 | 475,727.63* | 464,000 |
| | | | (211,882.92) | |
| Jan. 1, 1964 | 465,449.51† (396,005.21) | 365,841.73 | 191,080.69 | 1,285,000 |

*This balance includes \$263,844.71 appropriated for the Manomet School Addition in 1962, but not withdrawn until 1963.

†This figure includes \$69,444.30, received from the State because of our appropriation from the Stabilization Fund for the Manomet School addition, and should be deducted for the purposes of comparison of figures.

At the beginning of 1962 the Town had an adequate amount of Free Cash, our uncollected taxes were normal, we were building up a substantial Stabilization Fund and reducing our outstanding debt.

In two years we have drastically reduced our Free Cash through excessive appropriations from E. & D., our tax collections are off, we have appropriated \$463,952.71 from our Stabilization Fund and have floated bond issues in the amount of \$895,000.

The tax rates for the past two years have not adequately reflected the rate of spending by the Town. In addition to this, the Town must provide in 1964 for the first full year of operation of the regional school, liberalization of the statutes on real estate tax abatements for the aged, financing of a sewage disposal plant, general salary increases and loss of taxes within the Urban Renewal area. Moreover, requests for additional services, capital outlay appropriations and acceptance of new streets, requiring heavy expenditures for construction and drainage after acceptance, must also be considered by the Town at the annual town meeting in 1964.

Due to the heavy snow storms in the latter part of December, 1963, and the depletion of the Reserve Account in the hands of the Advisory and Finance Committee, the following amounts must be appropriated in 1964 to meet authorized overdrafts:

| | |
|------------------|----------|
| Highway Overtime | \$279.88 |
| Snow and Sanding | 3,741.30 |

The only unpaid bill reported to this office was from the Police Department, in the amount of \$15, payable to Neri Plumbing Company.

The several schedules are in the following order:

Schedule A. Cash Receipts and Cash Payments as reported to the Bureau of Accounts of the Commonwealth.

Schedule B. Departmental and all special appropriations and such receipts, including federal grants, as may be legally expended without specific town meeting appropriation, with all payments from same classified as to purpose.

Schedule C. Estimated Receipts, other than from local taxes, as used by the Assessors in setting the 1963 tax rate. The schedule also shows the actual cash receipts from the same sources.

Schedule D. Revenue Account for 1963.

Schedule E. Excess and Deficiency Account.

Schedule F. Balance Sheet, December 31, 1963.

Schedules G. and H. Bonded Indebtedness, January 1, 1964.

Schedule I. List of Trust Funds and Town Investments as of December 31, 1963.

Schedule J. Calculation of the Town's borrowing capacity as of January 1, 1964.

Respectfully submitted,

CORA B. GRADY

Town Accountant

SCHEDULE A

RECEIPTS

ONE HUNDRED AND NINTH
ANNUAL REPORT
OF THE
Water Commissioners
AND
Superintendent
OF THE
Town of Plymouth

MASSACHUSETTS
FOR THE YEAR ENDING
DECEMBER 31
1963

One Hundred and Ninth Annual Report of the Water Commissioners

The Board of Water Commissioners submits the One Hundred and Ninth Annual Report covering the calendar year of 1963.

The total rainfall during the year amounted to 49.11 inches, which is above average for this area. The year ended with the water elevation at Little South at 105.48 feet compared to 106.12 feet for the previous year end.

On September 27, 1963, Barney Pretoni retired from the Water Department after 31 years service, the last 5 of which he served as Foreman. The Commissioners wish to note for the record, the appreciation of the Commission and the Town for the manner in which he carried out his duties.

The Commissioners signed the contract with Susi & DiCenso, for the extension of water mains in Manomet, on September 3, 1963. Shortly after Labor Day the Contractors commenced work and completed the laying of mains and setting of hydrants along the State Highway to the tank site. In the Spring, Chicago-Bridge & Iron Co. will start erecting the new, 1,000,000 gallon tank to be in operation before the influx of Summer residents.

The Commissioners awarded the contract for the extension of water mains on Samoset Street, Seven Hills and Summer Street to A. Singarella & Sons, Inc., on October 15, 1963. The Contractor laid mains and set hydrants on Samoset Street and Seven Hills Road, having to stop on December 18th due to inclement weather.

On December 4, 1963, shortly after 9:00 P.M., the 12-inch water main on Market Street burst, undermining the

road and causing it to collapse. The Water Department was quickly on the scene and had restored water service within an hour. Over 100,000 gallons of water washed out sand and gravel into Town Brook. The 12-inch jacketed main which was installed in 1901, will be replaced with a new main in the coming year.

The total gallons pumped during the year amounted to 624,652,400, which is 31,184,700 gallons more than was pumped last year.

Receipts from the sale of Water, connections to new mains, services rendered, etc. amounted to \$149,567.61.

The Porter Harlow Tank in Manomet was painted two coats, both inside and outside and the outside of the Lout Pond Tank was also painted.

Appropriations Requested for 1964

| | |
|-----------------------|-------------|
| Maintenance and Labor | \$82,128.48 |
| Salaries | 30,994.16 |
| Regular Construction | 2,500.00 |

SUMMARY OF STATISTICS

(Published by request of the New England Water Works Association, Plymouth, Mass., Water Works)

Population, 14,450. (Summer population, 15,250, according to Selectmen's estimate.)

Date of construction, 1855.

By whom owned, Town.

Source of supply, Great and Little South Ponds, Manomet Well and Lout Pond Well.

Mode of Supply, Pumping.

PUMPING

Builders of pumping machinery, Fairbanks-Morse, Deming, Warren, and Morris electric.

Pumpage for the year:

| | |
|--------------------------------|-------------------|
| Lout Pond Pumping (electric) | 477,989,000 gals. |
| Lout Pond Deep Well (electric) | 95,991,100 gals. |
| Manomet Deep Well (electric) | 50,672,300 gals. |

| | |
|---------------|-------------------|
| Total Pumping | 624,652,400 gals. |
|---------------|-------------------|

(Note: New High Service (electric),
50,694,000 gals. RE-PUMPED).

Average static head, 94.0 feet.

Average dynamic head, 103.0 feet.

Number K.W.H. consumed:

| | |
|-------------------|---------|
| Lout Pond Station | 288,640 |
| Manomet Station | 45,980 |

| | |
|----------------------|---------|
| Total K.W.H. Pumping | 334,620 |
|----------------------|---------|

| | |
|----------------------------|--------|
| Number K.W.H. (RE-PUMPING) | 63,790 |
|----------------------------|--------|

| | |
|--------------------------|---------|
| Total K.W.H. Consumption | 398,410 |
|--------------------------|---------|

STATISTICS OF CONSUMPTION OF WATER

Population, 14,450. (Summer Population, 15,250 according to Selectmen's estimate.)

Estimated population on pipe line, 12,500.

Estimated population supplied, 12,500.

Total consumption for the year, 624,652,400.

Average daily consumption, 1,711,376.

Gallons per day to each inhabitant, 118.

Gallons per day to each tap, 335.

STATISTICS RELATING TO DISTRIBUTION SYSTEM

Kind of Pipe, Cement-lined sheet iron, Cement-lined cast iron, and Asbestos-cement.

Sizes, From 2-inch to 30-inch.

Extended, 3,012 feet.

Discontinued, None.

Total now in use, 92 miles, 2,332 feet.

Cost to repair per mile, \$35.58.

Number of leaks per mile, 0.29.

Small distribution pipe less than 4-inch, 4 miles, 1,530 feet.

Hydrants now in use, 556 public and 79 private.

Stop gates added, 14. Discontinued, 0. Number now in use, 1,342.

SERVICES

Kind of pipe, Lead, Cement-lined galvanized, and Copper tubing.

Sizes, From three-quarter inch to six-inch.

Total now in use, 15 miles, 1,899 feet.

Service taps added, 65. Discontinued, 16.

Total now in use, 5,105.

Average length of service, 19 feet.

Average cost per service, \$79.

Meters added, 60.

Number now in use, 4,121

Percentage of services metered, 80.7%.

REPORT OF THE COMMISSION OF PUBLIC SAFETY

Honorable Board of Selectmen

Town Office Building

Lincoln Street

Plymouth, Massachusetts

Gentlemen:

The following report surveys the activities of the various departments comprising the Commission of Public Safety:

Albert Saunders, Building Inspector, reported 211 permits for new construction totaling an estimated \$2,136,180, and 199 permits for alterations with an estimated cost of \$731,223. This is a healthy situation towards the growth of Plymouth as a residential area.

Louis Cappella, Sr. continues to dominate our canine population and we are happy to note that out of a total count of 1388 licensed only 74 dog bites were reported.

David Montanari, Sealer of Weights and Measures inspected 619 weighing and measuring devices during the past year without any glaring deficiencies, there being only one condemnation.

The Fire Department, under the capable command of Chief Arthur Lamb, reports all equipment in good repair and in useful condition. Future projects envision a new ladder truck and a new, more powerful forest fire truck. Certain adjustments will have to be made on existing equipment used for fire fighting to enhance efficiency. The Committee appointed by the Town Moderator to study a site for a new substation will report on a location which they have chosen. We are familiar with the pro-

jected site and hope that it will be approved by the Town and steps then taken to build a station to house the equipment.

A major catastrophe was averted, although about 650 acres of woodland was destroyed by fire, in the Halfway Pond area. Prompt and strategic firefighting directed by Chief Lamb and aided by apparatus from adjoining towns reduced the loss to a minimum.

The inexorable progress of time brought retirement to Captain Percy Gunther in January, and Captain Kenneth Hall in June. Private James Barlow retired in February, and Private Walter Bartlett retired in July because of disability. We wish them well in less arduous pursuits. Robert Caverly, Andrew Flynn, Joseph Horton, and Ralph Lyman were appointed to fill vacancies.

John Saccone, Sanitarian for Board of Health, has instituted seminars for food handlers to eliminate possibilities of infections transmitted by food handlers. This should be of benefit to consumer and dispenser. Over 16,000 doses of Sabin oral vaccine was given at the specified clinics. The dental office formerly located in the Bradford Building has been moved to the Nathaniel Morton School. This will effect a saving of rent to the town and will place the clinic in its proper environment.

The South Street dump has practically fulfilled its task and we are negotiating for location of a new dump in the same vicinity.

We have been fortunate during the past year in being free from epidemic diseases and our incidence of contagious disease is happily very low.

Chief Leo Murphy has reported on all activities of the Police Department. Plymouth was again cited by the AAA for another year without a pedestrian fatality. The increase in the department personnel with added coverage

has proved to be a timely and wise move. We receive many letters of approval and approbation by local and temporary residents, especially in areas previously not fully policed. The police station has been repaired but a good deal would need to be done to restore the building into a useful and practical establishment. We are presenting a request in the Town Warrant for the study of a suitable site and building for a new headquarters.

The Commissioners wish to thank all the personnel in every division for their faithful performance of duty, for their devotion to maintaining morale, and for a common motive to promote and preserve the public safety. We extend our sincere thanks to the various departments of our town government which contribute and participate in a common cause.

HYMAN DUBY, M.D., Chairman
JOSEPH R. STEFANI
PAUL WITHINGTON

SEALER OF WEIGHTS AND MEASURES

David A. Montanari, Sealer

Weighing and Measuring Devices Inspected:

| | |
|------------|-----|
| Tested | 619 |
| Adjusted | 53 |
| Sealed | 617 |
| Not Sealed | 1 |
| Condemned | 1 |

Sealers Fees Collected \$413.40.

Adjusting Fees Collected — None.

Inspections which permit no fees; weighing of commodities packaged for sale:

| | |
|-------------|-----|
| Tested | 319 |
| Correct | 150 |
| Underweight | 11 |
| Overweight | 158 |

Peddlers' licenses issued — 13.

On August 12, 1963 the Town Treasurer and I received a letter from the Division of Standards informing us that the Town Standard Avoirdupois weights were due at the State House for comparison with the State Standards.

On October 4, 1963 we received a letter from the Division of Standards stating that the weights (16) had been calibrated and that the 1 oz. weight was found to exceed Class A Tolerance and since this weight was pinned it could not be adjusted. Arrangements were made to replace this weight and a Certificate bearing corrections for use of these weights was issued and I hold this in my office.

PLYMOUTH FIRE DEPARTMENT

Arthur H. Lamb, Chief

Personnel:

The uniform force consists of 30 men: the Chief of Department, 1 Deputy Chief, 3 Captains, 3 Lieutenants, 21 Firefighters, and a Captain-Master Mechanic. The Call Force consists of four companies with a total compliment of 45 men.

Retirement:

Captain Percy Gunther retired on January 14, 1963.

Captain Kenneth Hall retired on June 11, 1963.

Private James Barlow retired on February 16, 1963.

Private Walter Bartlett retired on disability on July 8, 1963.

The first three named men entered the department on the same date in July, 1931 each devoting approximately thirty-two years of service to the Town. Private Bartlett entered the department in January 1951 and devoted approximately twelve years of service.

Appointments:

February 24, 1963 Robert Caverly, Taylor Avenue, Manomet.

February 17, 1963 Andrew Flynn, Winthrop Road, Manomet.

February 3, 1963 Ralph Lyman, Bourne Road, Plymouth.

August 4, 1963 Joseph Horton, Burgess Road, Plymouth.

These men were appointed to fill the vacancies created by the retirements listed.

Department Chaplains:

Reverend Father Richard Norton of St. Mary's Church:
Reverend Edwin T. Anthony of the Church of the Pilgrimage serve as the department chaplains.

Doctor H. H. Hamilton is the department surgeon and during the past year examined ten men for appointment to the department.

Apparatus Disposition:

Headquarters

Engine 1 1955 — Diamond T, 500 G.P.M. pumping unit
Engine 2 1942 — Seagrave 500 G.P.M. pumping unit
Engine 4 1961 — Seagrave 1000 G.P.M. pumping unit
Ladder 2 1940 — Seagrave 65 ft. aerial ladder truck
Rescue 1 1954 — Dodge Power Wagon, equipped for emergency calls, lighting, special tasks, etc.
Boat 1 1959 — Duretech aluminum with 15 H.P. motor
Chief's car, 1963 — Ford Wagon
Service truck 1954 Dodge utility, 1½" hose, portable pumps, etc.
Forest Truck No. 1 1956 — International—all wheel drive
Forest Truck No. 3 1958—Dodge all wheel drive

North Station

Engine 3 1941 — Seagrave, 500 G.P.M. pumping unit
Fire Alarm truck, 1948 Dodge, compartmented body, alarm equipment

South Station

Forest Truck No. 2, 1955 Dodge Power Wagon, all wheel drive
Forest Truck No. 6, 1942 Chevrolet, all wheel drive

Manomet Station

Engine No. 5, 1954 Diamond T, 500 G.P.M. pumping unit
Boat 2 Old Town, canvas covered, obsolete
Forest truck No. 4, 1952 Reo, all wheel drive, 1250 Gal. tank wagon
Forest truck No. 8, 1950 Dodge Power Wagon, all wheel drive

Cedarville

Engine 6, 1956 Ford, 500 G.P.M. front end pumping unit

Forest Fire No. 7, 1948 Dodge power wagon, all wheel drive — this truck is returned each year during the winter months to South Station and returned to its proper location in the Spring due to lack of sufficient housing space.

ANNUAL REPORT
OF THE
Board of Selectmen
OF THE
Town of Plymouth
MASSACHUSETTS

FOR THE YEAR ENDING
DECEMBER 31

1963

ANNUAL REPORT OF THE BOARD OF SELECTMEN

The year 1963 was one of problems suddenly confronting the Town and expensive to correct.

The planned improvement to Nook Road with the aid of State funds, was obliged to be abandoned because the damages to private property resulting by meeting State requirements, were in the opinion of the Board of Selectmen, too great for the Town to sustain, so it was decided to do the work entirely at Town expense by modifying the layout and eliminating the land damages.

While this work was in progress, one of the sewer mains near Robbins Lane collapsed, requiring the immediate transfer of personnel and equipment to that location as well as hiring outside equipment.

During the excavation of the collapsed line, another sewer line, of more substantial construction exposed itself by a break in that line which had been abandoned a number of years ago without any records indicating that a sewer line ever existed there.

The men were instructed to excavate the old line and when replacements to the damaged sections in that line were replaced and the remaining line cleaned out, it was put into operation and is now serving the area more efficiently than the one for which it was abandoned.

While all this activity was going on the heavy rains began and caused a series of floods and the moving of fill from the new Plymouth-Carver Regional School property to Nook Road and abutting properties. To overcome and correct this problem, it became necessary to obtain more funds from the Advisory and Finance Committee and install a large culvert under Sandwich Street where the brook passes under, necessitating the workmen to work around the clock in an attempt to keep ahead of a surprise storm and to keep the traffic moving. It is felt by the engineers and all concerned, that this matter has been corrected for all time.

These two emergencies were time consuming and the regular program of street repairs was greatly delayed.

The Traffic and Parking Study Committee was of valuable assistance to the Selectmen and many of their recommendations were carried out to improve traffic and parking conditions.

One matter that, over a period of time, will save the Town money and at the same time, standardize our street signs so that they will conform with the rest of the State, was the purchase of an electrical processing machine to make our own reflectorized signs for less money than we were obliged to pay previously. The Selectmen recommend that this Committee continue in operation.

A sizable grant was made to the Town under Chapter 822 of the Acts of 1963 which can be used only on streets and traffic devices. Because our traffic light system at Town Square and Samoset Street are completely worn out, it was decided to update them and also the set of traffic lights at the Hedge School, keeping the pedestrian in mind, so that with the improved system, ample time will be allowed for the pedestrian to make a safe crossing.

These lights and the signs, previously mentioned, are in accordance with the National Code of Uniform Traffic Laws, Ordinances and Control Devices.

Our Harbor Committee rendered valuable assistance to the Town and after several conferences provided regulations adopted by the Town in 1963 and will be operative this year in the matter of mooring fees, safety regulations and new landing floats that will be less expensive to maintain and a new boat for the Harbor Master will be more practical for the service required.

The three public sanitary stations have been maintained in such condition that many complimentary letters have been received from remote sections of the country.

The fish ladders at Town Brook and Eel River have

proven to be effective as claimed when they were installed, attracting many fish to our harbor while following the migration of the alewives. This year it will be necessary to make some repairs to the Eel River ladder which should not be too expensive.

It has become necessary to remove some of our highway equipment from the Infirmary property, and as the old Plymouth Mills Building has changed ownership, some equipment stored there had to be removed or rent paid for use of the building.

The Town owns a sizeable piece of land at the former sand pit and adjacent to it on Billington Street. It is felt that a suitable building could be constructed of cinder blocks to store our equipment under cover, at a reasonable cost, and an article appears in this year's warrant for that purpose.

Two major improvements were made in 1963, one being Bartlett Road from where the black top terminated to the Indian Reservation Camp Ground. This year funds are requested to complete it from that point to the State Road.

The other major improvement was the Bourne Road which is heavily travelled and this year funds are requested to complete this road.

In conclusion all matters that come under the jurisdiction of this Board were disposed of as effectively and judiciously as possible.

The financial condition of the town will be found in sections of the town report and appear to be satisfactory.

Respectfully submitted,

JAMES T. FRAZIER, Chairman

Board of Selectmen

ANNUAL REPORT OF THE
CEMETERY COMMISSIONERS

In Memoriam

EARLE F. BURGESS

The Commissioners record with sorrow the death of Earle F. Burgess on January 13, 1963, who had been with us only a short time but served with the interest of a very dedicated man. Mr. Burgess was always interested in Town affairs and Veteran Organizations. His friendly personality will be greatly missed by all his associates.

To the Honorable Board of Selectmen:

In addition to the regular general care and maintenance of our several cemeteries we wish to call attention to the following improvements.

At the Oak Grove and Vine Hills Cemeteries we have hard-topped Ridge Road and have raised the level of Chestnut Avenue. Both of these projects alleviate drainage problems. It was necessary to remove three large elm trees due to Dutch Elm disease, also topped one large oak. Proper tree trimming is still a problem as each year we seem to have to spend our budget money on emergency work and therefore are unable to do any regular trimming. The new addition has had plantings of shrubs and evergreens added this year. These will tend to beautify this bare section as time goes by. We are planning to install water pipes in this section during 1964. Once again there has been considerable vandalism, particularly around Memorial Day. The Police Department has been very cooperative and with the help of our own men we feel vandalism has been kept at a minimum. We want to

express our thanks to Chief Murphy for patrol work done by his department. We also want to express thanks to Daniel Holmes, Tree Warden, for the help and suggestions he has given us.

On Burial Hill we have continued the work of preserving the older stones by recutting the old slate and encasing them in granite. Each year this burial ground has an increase in the number of tourists visiting it. This cemetery suffers more from vandalism than any other in town. At times we have had as many as ten or fifteen stones and monuments pushed over and broken in a single night. During 1963 we had to remove three Elm trees, again due to Dutch Elm disease, and also topped a large oak which was rotting.

In the Manomet Cemetery we have black-topped one piece of the road running parallel to White Horse Road. We hope to continue this in 1964.

We expect to start replacement of the old picket fence at the Chiltonville Cemetery this year.

It is with regret that we announce the retirement of our clerk, Mrs. Esther C. Wentworth on July 1st, 1963 after twenty-two years of faithful service. We wish for her a long and happy retirement.

The receipts and payments of the department are listed in Schedules "A" and "B" of the Town Accountant's Report.

Respectfully submitted,

F. WILLARD DITTMAR, Chairman

GEORGE E. RANDALL

JAMES A. WHITE

AUSTIN S. FRATUS, Superintendent

ANNUAL REPORT FOR 1963

PLYMOUTH REDEVELOPMENT AUTHORITY

Final planning reports for the Summer-High Street Project were in the hands of the HHFA with quick approval promised at the beginning of 1963. The Authority hired a new Executive Director who began his duties on January 14, 1963. An experienced Relocation Director, Francis A. O'Connor, was hired on March 4, 1963.

In April of 1963 the Authority began accepting options from property owners in the Project Area. Also in April Mr. Mahlon Walker was appointed by the Board of Selectmen to complete the term of William B. Edmands.

Notice was received in May of the approval of the Workable Program for the Town of Plymouth for one year beginning June 1, 1963.

Late in May formal notice of approval of Part II — Final Project Planning was received by the Authority and on June 5 announcement of a Loan and Grant Allocation was received. The approval provided a total gross budget of \$2,141,979. The Loan and Grant Contract was executed on June 20 and a requisition for \$364,445 was submitted immediately to HHFA. The first property in the Area was purchased on July 24, 1963.

A contract was executed on July 31, 1963 with Whitman and Howard for a boundary survey, design and specifications for site improvements in the Area and on November 6, 1963 the Authority filed with the Register of Deeds an eminent domain taking of all property in the Area not yet acquired.

The Authority signed a contract with the L & L Wrecking Company November 30, 1963. There was a great deal of interest in the demolition contract, with eleven contractors submitting bids.

Advertising of land for sale was started on December 5 and talks with developers began. Considerable interest has been shown and it is believed a selection can be made by spring.

The relocation workload of the Authority numbered 90 families, 37 individuals, and 26 businesses. By the end of 1963, 37 families had been relocated, 27 individuals and 13 businesses. The total cost of relocation has been \$11,351. All relocation activities are proceeding on schedule as planned.

ANNUAL REPORT OF THE PLANNING BOARD

The 1963 activities of the Plymouth Planning Board were conducted during the regular meetings held on the second and fourth Mondays of the month and during special meetings held throughout the year. In addition, the Planning Board Office at the Town Office Building was open for business between the hours of 9 A.M. and 12 Noon, Monday through Friday, under the direction of the secretary, Mary B. Searles.

At the Annual Town Election held on Saturday, March 2, 1963, Wilfred J. Brown was re-elected to the Board for a five-year term. David M. Crawley was re-elected Chairman and Edward Chase re-elected Clerk at the organization meeting held following the Town Election.

During the year there was presented for approval under the Subdivision Control Law, a total of four plans for subdivision. Three of these with a total of 377 lots were approved and endorsed. In addition, thirty-seven plans involving forty-four lots were submitted under the classification "Approval Not Required" and were endorsed.

The Board received six requests for changes in the Town of Plymouth Zoning Map and, after appropriate public hearings, voted to recommend five for Town Meeting action.

Mr. Wilfred J. Brown was appointed to the Capital Outlay Expenditures Committee as the representative from the Planning Board. Mr. David M. Crawley continued as the Planning Board member of the Plymouth Development & Industrial Commission. The entire Board participated in Student Government Week.

In addition to its regular business, the Planning Board has initiated a preliminary study on the establishment of the Plymouth Rock area as a National Monument. The

work is being conducted by United States Department of the Interior through the cooperation of the Honorable Hastings Keith. It is hoped that sufficient information will be available next year so that some positive action will be possible in 1964.

Respectfully submitted,

DAVID M. CRAWLEY, Chairman
EDWARD CHASE, Clerk
WILFRED J. BROWN
A. LINWOOD ELLIS, JR.
RONALD A. FORTH

REPORT OF HARBOR MASTER

To the Honorable Board of Selectmen

The following is the annual report of your Harbor Master from December 31, 1962 through December 31, 1963.

At the present time we have sixteen party boats operating from our piers with expectations of one more forty-foot boat being added to the fleet.

For the first time in many years, our dragger fleet has been increased in numbers by the addition of several small draggers. The catch of the dragger and party boat fleets has increased at least 50% over the previous year. The increased volume of fish has added to the number of passengers aboard the party boats and attracted more private fishing boats to this area.

There has been a tremendous increase in requests for mooring spaces in our inner harbor for boats from towns and cities in our immediate area. There was a 50% increase in the number of visiting small boats during the 1963 boating season — that is, approximately, 950 inboard and outboard craft visiting our harbor.

The Town was host to three private yacht clubs having regattas in our area. Several Naval Reserve organizations requested berthings, but due to limited space, they were not accommodated.

Our fleet appears to be on the increase in all phases, party, fish dragging, lobster dragging, and lobster pot fishing.

This year we had two large trawlers from New Bedford land their lobster catches at the pier which more than increased our annual production of lobsters. In addition, this activity increased the volume of business for the year on the Town Pier and provided employment for several citizens of the Town.

There seems to be a definite trend of action along the waterfront both business and pleasure activity. People are beginning to realize that we have much more to offer than any other surrounding area. We have had a large increase in our party-boat subscribers and a tremendous number of visitors who circulate in our immediate area.

The bylaws which were passed at the 1962 Town Meeting and approved by the Attorney General and the Registry of Motor Boats have proven to be another boon to our harbor as far as safety and revenue are concerned.

This year my budget again requests a new boat and two new floats of which we are in dire need. These floats are necessary to the many people in our area both for safety and for courtesy.

I wish to extend to the Board of Selectmen and the Plymouth Harbor Committee my sincere thanks for the help and encouragement given to me during the past season.

Respectfully submitted,

ANGELO BRIGIDA

Harbor Master

**ANNUAL REPORT OF THE
PLYMOUTH COMMUNITY NURSE ASSOCIATION**

To the Honorable Board of Selectmen

The Annual Nursing Service Report of the Plymouth Community Nurse Association, from January 1, 1963, to December 31, 1963, is herewith submitted.

During the year, a total of 5,852 visits were made to patients in Plymouth and Kingston. Of this number, 1,126 visits were made on behalf of the Plymouth Health Department.

Ten Chest X-ray clinics were held at the Jordan Hospital with a total of 404 persons X-rayed and examined.

Ten Immunization clinics were held during the year at the Town House. 669 DPT injections, vaccinations and oral polio drinks were given by Dr. Frank J. Abate, Board of Health physician, assisted by the P.C.N.A. nurses.

Six Oral Polio clinics, including make-up clinics, were held during the months of January, March and May. Types I, II and III of the Sabin Oral vaccine were dispensed to a total of 8,563 infants, preschool children and adults.

Twenty-three Well Child Conferences were held during the year. A total of 579 infants and preschool children were examined by Dr. C. James Gormley, our Well Child Conference pediatrician.

This organization keenly feels its responsibility to the community to assist in the care of the sick — and the importance of good health to all our citizens.

Respectfully submitted,

MARION A. HEDGE, R.N.
Supervisor

REPORT OF INLAND FISHERIES COMMITTEE

To the Honorable Board of Selectmen
Plymouth, Massachusetts

Gentlemen:

Your Committee wishes to report that the appropriation for the year 1963 was expended for 1,090 seven-inch and eight-inch rainbow trout which were liberated in Little Pond at Morton Park in Plymouth on June 14, 1963.

The Committee received a letter from the Department of Fisheries and Game recommending an early summer stocking because of the heavy fishing pressure at this pond. Two additional ponds—Fearings and Rocky—have been reclaimed by the State for the purpose of providing trout fishing. We now have a total of six ponds in Plymouth open to the public for trout fishing. We feel this is a great asset to the Town in providing recreational areas.

Respectfully submitted,

DONALD O. TRACY
MARTIN D. PERSON, JR.
CHARLES T. SEIFERT

REPORT OF THE INSECT PEST CONTROL

To the Honorable Board of Selectmen:

A dormant spray program was carried out on Elm trees for Leaf Beetles. In the year of 1962 there were 76 cases of Dutch Elm Disease, and in 1963 only 63 cases were found. All have been topped off and 51 have been removed completely. As all of these trees were either burned or buried for sanitary reasons, the disease can be curtailed to some extent.

Respectfully submitted,

DANIEL L. HOLMES
Superintendent of Insect Pest Control

REPORT OF THE TREE WARDEN

To the Honorable Board of Selectmen:

Tree planting was carried out in 1963 and 138 trees were planted.

Trees were replaced wherever possible. As some trees taken down were under wires, they could not be replaced. 125 of the new trees bought averaged \$3.80 each. They were eight to ten feet in height. This coming year plans are made to double the number of trees purchased.

Pruning of trees was done and approximately 130 stumps have been removed with the new stumping machine.

Respectfully submitted,

DANIEL HOLMES

Tree Warden

REPORT OF THE TOWN FOREST COMMITTEE

To the Honorable Board of Selectmen:

In 1963 all fire lanes were harrowed and kept cleared of fallen trees; also fire lanes and roads were mowed and brush burned. Approximately 5,000 White Pine seedlings were purchased and planted.

Respectfully submitted,

DANIEL L. HOLMES

JAMES A. WHITE

HAROLD G. ROBERTS

Town Forest Committee

REPORT OF THE CONSERVATION COMMISSION

Honorable Board of Selectmen:

Gentlemen:

The 1963 activities of the Conservation Commission were conducted during the regular meetings held on the second and fourth Mondays of each month throughout the year. Special meetings and field inspections with other Town Committees and the Long Pond Improvement Association were also held.

We have had a very active year and are still in the initial stage of planning a long-range conservation program which would be of most value to the Town. A portion of this program involves the listing of the Town's natural resources including ponds, wet lands, marshes, open lands, and recreation areas.

An access program has been established by the Commission to acquire land to our seashores and great ponds for the purpose of rights of ways. The work is very time-consuming and many hours are needed in checking titles and land deeds. At the present time a tentative plan is being made for the purchase of land at Long Pond with the cooperation of the residents in the area.

The Commission has requested that tax title lands which would be of benefit to the Commission be removed from the auction list and be retained. We have asked that three parcels of land be conveyed to the Commission at the next annual Town Meeting; one parcel of land at White Horse Beach for the purpose of a right of way to the seashore; one wood lot at Little Micajah's Pond; and one wood lot on the Long Pond Road near Hedges Pond.

The services of a part-time secretary have been obtained to help in the burden of clerical work. With this assistance much of our work can be speeded up. It is our

hope that in the near future information on the activities of the Commission and listings of the Town's natural resources will be available to those interested.

The Commission wish to express their sincere appreciation to the Selectmen and other Town Departments for their helpful cooperation.

Respectfully yours,

Plymouth Conservation Commission

DONALD O. TRACY

REGINALD J. MAROIS

EDWARD W. BURGESS

ANNUAL REPORT OF THE ZONING AGENT

Albert F. Saunders

To the Honorable Board of Selectmen:

The following is the annual report of the Zoning Agent for 1963:

1353 Calls made on Zoning and Planning Requirements

3 Inspectional Reports requested by the Selectmen

2 Zoning violations referred to the Board of Selectmen for enforcement

33 Referrals to the Zoning Board of Appeals for variances

173 Zoning complaints of violations investigated

173 Zoning complaints of violations corrected without court action

FENCE VIEWER AND FIELD DRIVER

8 Fence viewing investigations

3 Field driving investigations

Respectfully submitted,

ALBERT F. SAUNDERS

Zoning Agent

REPORT OF SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit a report of the work done in the Street and Sewer Departments from January 1 to December 31, 1963:

SEWERS

Approximately five miles of our main sewers were dragged, removed tree roots, debris and hard grease. House connections received the same service when needed. Manholes were repaired and cleaned with new frames and covers replaced on several old manholes. Twenty-four house services have been added to the main sewer system in the Town of Plymouth. The outfall sewer at Robbins Road was blocked with sand and mud causing sewage to run on the shore. 550' of 12" cast iron pipe was excavated and cleaned and later replaced. A broken section of this sewer line was replaced with fifteen feet of new 12" cast iron pipe and one manhole built. The outfall sewer line at the rear of Boyer's property on Sandwich St. was cleared and a new manhole constructed.

STREET CLEANING

A new 1963 four and one-half cubic yard motor pick-up street sweeper with cab less trade-in of the 1959 sweeper was purchased for \$6,000.00. The Elgin motor pick-up sweeper cleaned one thousand six hundred thirty six curb miles from May to November. The main street from Jabez Corner to Seaside Line is swept each day including the waterfront from Main St. Ext. to Town Wharf. The side streets in town and the north end are swept every other day. The hand sweeping of the heavy winter sand was done during the spring months. A hired sweeper was contracted during March and April until the arrival of the new sweeper which was delivered on May 8, 1963.

ASPHALT SIDEWALKS

The maintenance and construction of asphalt sidewalks were completed on the following streets: Court St. at the Green Thumb, Court St. at Henry Busi's, Court St. at Dr. Duby's, Court St. at Rossi Fruit Store, Sandwich Street on the west side from Mt. Pleasant St. to Bay View Ave., Sandwich St. on the east side from County Auto Supply Co. to Winter St., corner of Stephens and Sandwich Sts., Standish Ave. at Hall St., Standish Ave. on east side from #189 to #203, North Park Ave. at the Information Booth, west side on Knapp Terrace, curbing raised in front of Maybury property on Newfield St. and new sidewalk laid to hold water back coming from driveway of nursing home, Hall St., south side, from Standish Ave. to Court St. Necessary repairs were made on sidewalks where surfaces had tree roots and stumps removed by the Tree Department. The usual amount of black top sidewalks was not completed this year on account of the hot-mix plant in Brockton having burned completely in August.

DRAINS

A drain was installed on the north side of Alden St., going north on West Street to Rodman Lane, a distance of 524' of 15" reinforced concrete pipe and 320' of 12" reinforced concrete pipe with five catchbasins built to take care of drainage on West St., Rodman Lane and Alden St. The department was permitted to lay a drain on Cochituate Road through the property of Julian L. Lanctin, John B. Butler and Joseph L. Crateau to Emerson Road, a distance of 524' of 15" plain concrete pipe and 380' of 12" plain concrete pipe and four catchbasins to take care of surface water coming from Emerson Road to prevent flooding of these properties. The old stone culvert under Sandwich St. at Nook Road was replaced with a 48" metal arch culvert and a new head wall built on Nook Road end. This new drainage

was necessary to correct surface water coming off Nook Road and Plymouth-Carver High School property. The contract for this work was awarded to Del Prete Const. Co. of Rockland at a cost of \$6,677.90.

The open brooks at the rear of Samoset St., rear of Hatch's Electric Company on Court St. and the drain pipe at McNamara property on Court St. were cleared and all pipes received a flushing. The service of hired catchbasin cleaning equipment was used this year on basins that needed special cleaning. Other catchbasins throughout the town were cleaned and repaired by the department.

FENCES

On the east side of Royal St., 240' of four foot chain link fence was installed and repairs to the chain link fence at the corner of Newfield St. and Jackson Lane were completed by the Reliable Fence Co. of Norwell, Mass. A number of cement posts made by the department were set-up as follows: ten on Route #44, twelve on Nook Road and fourteen at the Plimoth Plaza. Several cement posts have been replaced having been knocked down from automobile accidents.

HY. CONSTR. & RECONST.

The following streets were paved with a 2½" Type I mix over the old road surface consisting of a 1½" base and a 1" top: Alden St. Ext., Braunecker Road, Cooper St., Hall St., Robbins Road, Grey Ave., Cole's Lane, Brookside Ave., Russell St., Gould Rd., Rodman Lane and Emerson Road. The following streets were resurfaced with a mixed-in-place top of gravel and asphalt 3" in thickness: One mile of Bourne Road, 2000 feet of Cape Cod Ave., 1200 feet of Reed Ave., 1200 feet of Burgess Road, 1700 feet of Bartlett Road from the end of the tar road to the Cranberry Bog. A section of Bartlett Road from the Cranberry Bog to the Indian Cem-

etry, 2400' in length and 22' in width was completed by Del Prete Const. Co. of Rockland. Drainage work included the laying of 330' of 18" reinforced concrete pipe and 50' of 12" reinforced concrete pipe and four catchbasins built with one concrete headwall at Bartlett Pond. A gravel base 4" in depth was graded and rolled with a 3" mixed-in-place top. The following roads received a seal coat of $\frac{1}{4}$ gallon of asphalt per sq. yd. and covered with sand: Seaview St., Park Road, Nick Rock Road, two miles of Long Pond Road and one mile of Rocky Pond Road.

CHAPTER 90 CONSTRUCTION

Beaver Dam Road, from the property of James McNary to Oliver DeLancey, a 2½" base and 1" top of Type I was laid. All slopes were graded, loamed and seeded and 140-6'6" triangular cement posts were placed at the top of the deep slopes by the contractor. A fourth contract will be awarded in 1964 for the continuation of Beaver Dam Road improvement. The State contributes 50%, County 25% and the Town 25% for this type of road construction.

CHAPTER 90 MAINTENANCE

The State, County and Town share one-third of the cost on the following maintenance of streets: Red Brook Road at Plymouth-Wareham line was paved with 558.35 ton of Type I, 1½" in depth, Westerly Road, Route #44 to Summer St., 248.6 tons of Type I, 1½" in depth, Route #44 from Westerly Road to Royal St., 101.35 tons of Type I, 1½" in depth and Federal Furnace Road from Seven Hills Road to Plymouth Electric Light Co. sub-station, 202.65 tons of Type I, 1½" in depth.

CHAPTER 782-ACTS OF 1962

A grant from the State allotment was accepted at the March town meeting for \$43,588.20 under provisions of Chapter 782 of the Acts of 1962. The following roads were

improved with a Type I surface: Arlington Road 1400', Forest Ave. Ext. 2140', and Water Street 1992'. Nook Road was widened and brought to grade with gravel and 80' of 12" plain concrete pipe was installed with four catchbasins built. The road was surfaced with 1½" base and 1" top of hot mix. Loaming, fertilizing and seeding of slopes will be done in the spring of 1964 with a four-foot sidewalk on the south side. Westerly Road and Thrush Avenue remain to be completed under these funds.

GRANOLITHIC CURBING

Louis Cotti & Sons, Inc. submitted the lowest bid for the construction of cement curbing as follows: Taylor Ave., east side, 870', Hall St., south side, 865' and Phoenix Court, south side, 97'.

TRAFFIC AND STREET MARKING

Traffic lines were painted yellow and white this year to conform with the new State traffic regulations. White crosswalks were painted in the spring and fall with several additional crosswalks requested to be painted by the School Committee and the Board of Selectmen. It was necessary to replace many meter posts that were broken off and damaged by trucks and cars. Through the cooperation of the Special Traffic and Parking Study Committee and Board of Selectmen, the department purchased a Heat Lamp Applicator or sign-making machine for all types of signs to be made in the future by the Highway Dept. An extensive engineering study by the Traffic Engineering Department of the Middleboro Dept. of Public Works, recommends that all present warning, regulatory and guide signs be replaced at once with new signs to meet the new State regulation. This new ruling has been carried out this year with the department making and erecting the following: 57 stop signs, 9 parking lot signs, 22 school signs, and 18 no-parking signs. The 1964 appropriation will provide for more of these old signs to be replaced according to State regulations.

MISCELLANEOUS

A new 1963 International dump truck with a four-yard body with no trade-in was purchased by the department. A nine-foot snow plow was acquired and is used on the new International truck. Eel River and Bartlett Brook were cleared of sand and stones washed in from the high tides of the northeast storms. Hired equipment by a local contractor was engaged three times to clear Bartlett Brook and twice for Eel River at the ocean end.

Eel River at River Street had a heavy growth of turf, brush and willow trees dug out to prevent further blockage of the river at the bridge. A section approximately 100' long, 75' wide and 4' deep was cleared by the Plymouth Equipment Leasing Co.

The work in the Manomet, Long Pond and Cedarville districts have been carried out satisfactorily by the district foreman. The cutting and burning of brush, graveling, widening of bad corners, snow and sanding, scraping of dirt roads and applications of calcium chloride to lay the dust, were all given proper attention.

The requests from the Selectmen's Office and other town departments were taken care of as received at the office.

Newly accepted streets by the town have been bounded by the Town Engineer with bounds made by the Highway Department.

Permits to dig up and open the ground were issued to the local gas company and private contractors who properly guarded and lighted all excavations.

Lines and grades for street, drain and sewer work have been supplied by the Town Engineer, Edward Chase, and records of same filed at his office on Lincoln Street.

Respectfully submitted,

ELMER C. CHANDLER
Supt. of Streets and Sewers

REPORT OF THE BOARD OF PUBLIC WELFARE

The members of the Board of Public Welfare on January 1, 1963, were: John J. Magee, Chairman; Margaret E. McLean; Francis H. Murphy; Paul Withington; and William B. Stearns, Jr. At the 1963 Town Election, William B. Stearns, Jr. was re-elected.

At the organizational meeting of the Board held following the Town Election, John J. Magee was re-elected Chairman, and Francis H. Murphy was elected Delegate-at-Large to the Town Meeting. Allen B. Wood, Director of Public Assistance, was re-appointed Secretary of the Board.

The 1963 appropriation for public assistance amounted to \$463,000.00. There was income in the amount of \$14.71 from the Murdock Fund. The Federal Government participates in all categories of assistance except General Relief. Federal Grants are advanced to the Town by the Commonwealth, and are available to be used in addition to the appropriation. The total expenditure for assistance in 1963 was \$816,033.73 compared to \$803,872.83 in 1962. Federal funds in the amount of \$368,171.71 were available leaving \$447,862.02 to be expended from the appropriation. The share of the Commonwealth will be approximately \$262,399.38, and approximately \$7,231.53 will be received from other towns and cities, leaving \$178,231.11 as the net cost to the Town. While the total expenditure for assistance increased by \$12,161.20 over 1962, the expenditure for medical care increased by \$25,938.26. Medical care accounted for 42% of the cost of public assistance in 1963.

Recoveries totalling \$12,331.39 were made in 1963. Of this amount, \$10,354.43 was recovered on Old Age Assistance real estate liens.

Old Age Assistance accounted for 39.5% of the payments for assistance. The year opened with 280 cases

being aided in this category. The case load decreased during the year as has been the case for the past few years, and the year closed with 261 cases receiving aid.

Medical Assistance for the Aged accounted for 23.8% of the payments for assistance. The year opened with 92 cases receiving aid. The case load increased steadily as has been the case since this program started in October, 1960. The year closed with 118 cases receiving aid.

Aid to Families with Dependent Children accounted for 19.8% of the payments for assistance. The year opened with 81 cases consisting of 60 parents and 196 children receiving assistance. The case load rose during the year, and the year closed with 95 cases consisting of 72 parents and 246 children receiving aid.

Disability Assistance accounted for 9.8% of the payments for assistance. The year opened with 58 cases receiving aid. The case load decreased slowly during the year, and the year closed with 51 cases receiving aid.

General Relief accounted for 7.1% of the payments for assistance. The year opened with 57 cases consisting of 146 persons receiving assistance. The low point came in October with 45 cases consisting of 99 persons receiving assistance. The year closed with 58 cases consisting of 137 persons receiving aid.

Because of the many problems involved in cases receiving Aid to Families with Dependent Children, two of our five social workers are assigned to this category; and a large part of the time of our Director of Public Assistance is also taken by this category of assistance. However, 63.3% of our expenditures for assistance were for persons over sixty-five in the categories of Old Age Assistance and Medical Assistance to the Aged.

The 1963 appropriation for salaries and other administration was \$31,984.00. The total cost of salaries and

other administration was \$50,648.94, which is less than 6% of the total expenditure of the Department. Federal funds in the amount of \$28,547.08 were available, leaving \$22,101.86 to be expended from the appropriation. The share of the Commonwealth of Massachusetts will be approximately \$9,107.99, leaving a net cost to the Town of Plymouth of \$12,993.87. A change in the manner of advancing federal administrative grants resulted in the Town receiving federal grants for an extra quarter in 1963.

OFFICE OF VETERANS' SERVICES

To the Honorable Board of Selectmen

Gentlemen:

With the average age of the World War I Veterans being 65, the World War II at 43 and the Korean Veteran but a few years younger, the predictions of both Veteran periodicals and service organizations proved most true in 1963. The demand on Veterans' Services is directly proportional to the Veterans' ages.

In 1963, twenty-three new non-service connected disability pensions were processed resulting in awards of \$12,735.00 in tax free monies in the hands of Plymouth Veterans. These same dollars in 1964 will be expanded to \$26,948.00 due to eligibility of these persons for a full twelve months of benefits. Processing of these applicants becoming eligible in 1964 and succeeding years will be of

prime importance. Procurement of not only these pensions but also of other benefits for the Veteran is one of the most important functions of the office for it brings into Plymouth many added dollars to be spent primarily on the local market.

Additionally, with the extension of GI loan application periods for the Veteran, there was additional processing work for the department. A total of 618 Veterans and/or dependents were served solely in matters of insurances, pensions, compensations, loans and other GI rights.

In the matter of administration of Veterans Benefits (a Commonwealth and Town-shared function) 158 applications were handled servicing 455 Veterans and/or their dependents. This was approximately a 20 per cent increase over 1962. Again the problem of advancing age of the Veteran with his "out of work" days related to his age indicates a future period of increased expenditures. It is sincerely felt that the average war Veteran indeed wants to work but is finding less work due to his advancing age. The cooperation of the various Towns' Departments and Businessmen in utilizing services of employable Veterans is indeed appreciated by these men who are proud of being called VETERANS.

Respectfully submitted,

CHARLES C. HENDERSON

Director of Veterans' Services

PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

In reporting on the project's activities and accomplishments in 1963, there have been several advances made toward the project's number one objective; Namely, the drainage of infected wetlands known to contain species capable of transmitting encephalitis or other virus.

The Eastern equine encephalitis continues to be vital to southeastern Massachusetts, as research in this area shows virus activity is yet present in wild birdlife. We hope we have been instrumental in the fact that there have been no human cases of this virus reported during the last six years. We will continue to emphasize the locating and treating of breeding sites of the vector species of mosquitoes.

The ditch reclaiming phase of control continues to be the best investment in a long range control program. It not only eliminates sources of breeding, but gradually reduces the repeated costly applications of insecticides. Our power-trencher has been concentrating on inland town problems during the warm weather months. Nearly a month was spent with our back-hoe on the Saquish marshes, reclaiming approximately four miles of salt marsh ditches. Several other drainage problems were solved in conjunction with your highway department, as were others in inland waterways, working with our power-trencher and hand labor. I feel we can accomplish more in our coastal salt marshes during the cold weather periods, utilizing the frost in the ground for greater buoyancy in these areas. Weather permitting, our power unit will be operating the year round.

Aerial spraying for adult mosquitoes is important where a serious nuisance develops and immediate results are necessary. Control of this type is temporary and costly. The project was not designed to expend large

sums on this type of control, yet we find it a valuable supplement to our long range efforts. The increasing trend toward outdoor living during the vacation season has added tremendous pressure on the project for temporary control with our five truck-mounted units. We are finding it impossible to satisfy each individual property owner, as we are not set up financially for this type of operation. Our weekly larval inspections and treatment of filter systems, sewage areas, dumps, public parks, ball fields and public gatherings were seriously hampered by increased requests for back yard spraying this past season.

We are cooperating with the newly organized Pesticide Board, and adhere to all State and Federal rules and recommendations as regards pesticides.

Our sincere thanks to your town officials, and your Tree, Health and Highway Departments for their splendid cooperation.

Respectfully submitted,

M. CURRIE BEATON, JR.
Superintendent

ANNUAL REPORT OF BOARD OF PARK COMMISSION

The Park Department was able to carry out its 1963 program with top efficiency and encountered no major problems.

Repairs due to vandalism continued to be a problem of uncertainty and the department continued to cooperate its efforts beyond that prescribed in the department's operational budget. Early morning snow plowing at the Plymouth-Carver Regional High School, working on the preparation of the town's Christmas program, preparing the areas for the Holy Ghost Fiesta and the State Softball Tourney and other items of minor nature are included among the accomplishments of the 1963 season.

The Commission does not contemplate any capital outlay for 1964 but seeks only to care, maintain and protect what it has under its jurisdiction at the present time.

Evidence that the department operates on a close and tight budget comes from the December 31st records of the Town Accountant to the effect that the following amounts were returned to Excess and Deficiency for 1963:

| | |
|-----------------------------------|--------|
| Temporary Help | \$3.79 |
| Labor | 239.06 |
| Equipment | .50 |
| General Administration | 2.66 |
| Floodlights, Stephens Field | 1.49 |

The Park Department maintains, cares and operates under its jurisdiction sixteen (16) parks, eight (8) playgrounds, five (5) bathing beaches, two (2) picnic areas, two (2) camp grounds, and sixteen (16) buildings. The department cooperates with other departments in the care and maintenance of the public parking lots at Main St. Extension and Middle Street; the traffic islands at Shir-

ley Square and the Town Wharf; Depot Park; and the town shore property opposite the Mabbett Mill.

Total expenditures of this operation for 1963 were \$75,222.24.

Total receipts taken in by the Park Department during 1963 from persons other than Plymouth residents and Plymouth taxpayers was \$24,378.15.

This denotes 32.4% of the entire budget is returned in cash receipts, such receipts being turned back to Excess and Deficiency.

The figures also denote that the actual overall cost to the Town of Plymouth for its complete Park Department operation is but \$50,844.09 for 1963.

The Commission and the Department wish to thank all those who extended help and cooperation to the department through 1963 and hope such cooperation will continue in force.

Respectfully submitted,

WALTER B. HASKELL, Chairman

O. ARRIGO GUIDOBONI

JOHN W. SEARLES

EDWARD J. E. HAND

ANTHONY V. PIOPI

PLYMOUTH PUBLIC LIBRARIES

Fifth Annual Report — 1963

Dr. Charles C. Forman, President

Mr. Peter R. Billey, Vice President

Miss Sara C. Bodell, Clerk

Mr. Walder J. Engstrom, Treasurer

Mr. Warren M. Axford Mrs. A. Linwood Ellis, III

Mrs. Robert B. Bowler Mrs. Roland Holmes

Mrs. William Brewster Mr. Edgar J. Mongan

Miss Rose Briggs Mrs. John W. Packard

Mr. John A. Smith, Jr.

Your libraries are in healthy condition, and slight gains can be seen in the statistics both for number of borrowers and books circulated. Your continued interest may be attributable to the fact that books have more eye appeal with large format and beautiful illustrations. We are grateful for the additional money from State Aid, which has enabled us to buy more expensive books, not necessarily a greater number. Two memorial funds for purchase of books have been deposited with the Corporation in the name of Mrs. Alice Christian Christmas by bequest of Gen. John K. Christmas and for Nancy Parker (Mrs. Stanley B.) by her relatives and friends. Gift books in memory of deceased members were given by the Woman's Club and the Garden Club.

At the annual meeting of the Corporation in February the Gen. John K. Christmas Genealogy Room was formally opened as a memorial, donated by relatives and friends. The furnishings of the room were selected by his daughter, Mrs. William Brewster.

ACTIVITIES:

The Newsletter, the quarterly prepared by the publications committee, is being mailed to an ever-grow-

ing list. The outdoor art show was held for the second year and the booksale, held on the same week-end, was successful. Miss Osmond, representing the exhibits committee, has provided unusually interesting monthly art exhibits.

The staff has attended meetings of professional associations — Old Colony Library Club, Children's Round Table, Massachusetts Library Association which met in Manomet in June and for which the main library gave an open house, and New England Library Association. Miss Sharp was honored to be elected secretary of the Old Colony Library Club.

The greatest professional contribution of the year was the training course in library reference work held here which was attended by thirty librarians from as far away as Harwich, Dennis, Lakeville, Rochester, Scituate and Hull. New chairs and a blackboard for the classroom were provided by the Corporation.

PERSONNEL:

This year the rotation of pages took place. Two seniors graduated, Misses Paula Roessel and Joanne Rougeau. Misses Marcia Armstrong and Susan Enos, sophomores, joined the staff. Upon the resignation of Miss Enos, Sharon Hinckley took her place. Mrs. Beverly Roberson's resignation was effective January 31st. Mrs. Nan Sawyer was with us four months as typist-clerk. Mrs. Allen Wood, who had worked part time for seven years, resigned July first. Mrs. Bettie Neri began work full-time on November twenty-sixth.

ANN APPLETON CHILDREN'S ROOM:

Although more books have been bought and forty school deposits were sent out, there seems to be a decrease in children's reading. The circulation figure is lower by 1691. Before Cornish School closed its doors in June, two

second grade classes visited to become acquainted with the room and to hear a story with Miss Grace Haigh, librarian.

Loring Branch Library helped the seventh grades in many ways while they were at Harris Hall until June. The young people have been missed greatly this Fall and Winter.

The elementary school children have been seeking information on many subjects. Sixteen book deposits were sent to the schools.

The circulation and number of borrowers have increased in both departments.

Service to the adults of Castle Court development will be a challenge for 1964.

REPORT OF THE TOWN ENGINEER

To the Honorable Board of Selectmen:

During 1963, layout plans were made for Coles Lane, Muster Field, Alteration of Sandwich St., Linden Lane, Benham St., Alteration at Corner of Alden St. and Westerly Rd., Thomas Ave., and Hilltop Ave. These layouts were accepted by the Town in 1963.

Construction plans and specifications were drawn and lines and grades furnished for highway construction of 2300 feet of Bartlett Rd. in back of Fresh Pond. This project was built by private contract in September-October of 1963.

A topographic survey was made of high land south of Carver Rd. for a proposed water tank.

Surveys were made of Seven Hills Rd., Micajah Pond Rd., and Kings Pond Plain Rd. preparatory to the laying out of these roads in 1964.

Much engineering work was done with your Board on various drainage easements.

Construction plans and specifications were drawn and lines and grades furnished for a new culvert under Sandwich St. at Nook Rd. This project was built by private contract in October of 1963.

A total of 81 permanent concrete bounds were set under the supervision of the Town Engineer as follows: Sandwich St., 6 bounds; Coles Lane, 6 bounds; Hilltop Ave., 15 bounds; Thomas Ave., 8 bounds; Muster Field, 13 bounds; Benham St., 8 bounds; Linden Lane, 19 bounds; Federal Furnace Rd., 6 bounds.

Respectfully submitted,

EDWARD CHASE

Town Engineer

REPORT OF THE PLYMOUTH HOUSING AUTHORITY

For the Year 1963

Castle Hill, Plymouth's first public housing for the elderly, was completed in 1963, and fully occupied by January 1, 1964. Ground had been broken on November 12, 1962, and the project was dedicated with appropriate ceremonies on November 11, 1963. The project is built upon an area of 5.1 acres in the northern part of Plymouth, commanding a view of Plymouth and Duxbury harbors. Construction is brick veneer in a total of six buildings containing fifty dwellings and a community building containing a recreation room, laundry, a repair shop and tool storage. There are 26 first floor and 24 second floor apartments. Despite the concern of some that the elderly should not be expected to live on the second floor, those apartments were in fully as great demand as the first floor apartments. Landscaping was not quite completed prior to the setting in of frost and will be completed in the spring of 1964.

The Veterans Housing project at Olmstead Terrace and Standish Court continues to be fully occupied with a waiting list.

Eligibility and rents in the two projects are as follows:

Castle Hill: Citizens who are over 65 years of age and whose income if single does not exceed \$2500 per year, and if married does not exceed \$3000 per year are eligible for occupancy. The rent, including gas, electricity and heat, averages \$55.00 per month.

Veterans:

| Minor Dependents | Admission Limits | Continued Occupancy Limited | Rent |
|------------------|---------------------|--------------------------------|---------------|
| One or less | \$4,500.00 | \$5,000.00 | 18% of income |
| Two | 4,700.00 | 5,200.00 | 16% of income |
| Three or more* | 4,900.00 | 5,400.00 | 14% of income |

*\$200 deduction from total income for each minor dependent child in excess of three.

ANNUAL REPORT OF PLYMOUTH AIRPORT COMMISSION

The annual report of the Plymouth Airport Commission is submitted herewith.

The popularity of the Plymouth Municipal Airport by those using the airways has shown a constant increase in activity each year.

During weekends when traffic is the heaviest, the waiting room is always busy and a snack bar was installed for the convenience of those using the facilities, which has proven popular.

The property is maintained in first class condition in compliance with Federal and State requirements and presents a very neat appearance from both the air and ground.

The hangar space is completely utilized and there are 31 planes of various types tied down on the field.

The New England Aero Service, located at the airport has had a busy year and is requesting additional building space. The proprietor now resides in Plymouth, having purchased a home here last year.

His operation at the airport, services flying craft planes and helicopters from Pennsylvania, Connecticut, New Hampshire and most points in New England including a fleet used by the Massachusetts Institute of Technology and a flying club from Otis Air Base.

A thirteen week course in aviation was conducted by a ground school to prepare students for private pilot's licenses and another class is to begin shortly.

A heavy truck and snow plow has recently been acquired through Civil Defense, which will enable the removal of snow on the field by airport personnel.

An approved gasoline truck is provided, without cost to the Town to supply fuel to the planes on the field without moving up to the pumps.

No major improvement is contemplated this year other than resealing the apron and shingling the west wall of the main building, plus the construction of additional space for the New England Aero Service, which will increase the rental fee.

Plans are in the formative stage, however, to construct a cross runway, assisted by Federal and State funds in the near future, which will make Plymouth eligible for scheduled service, when the opportunity occurs.

In summary, the facility has been operated in a manner which reflected creditably on the Town of Plymouth.

Respectfully submitted,

JAMES T. FRAZIER, Chairman
SUMNER A. CHAPMAN, JR.

REPORT OF THE BOARD OF RETIREMENT

To the Citizens of the Town of Plymouth:

The Board of Retirement presents herewith its twenty-seventh report covering the activities of the Contributory Retirement System for the year 1963.

The year was an exceptionally active one, with twenty-eight non-teaching personnel of the Plymouth-Carver Regional School being admitted to membership and an unusually large number of retirement applications to be considered.

Two employees were retired under the Veterans' Act. As of December 31, 1963, there were seventeen non-contributory pensioners and one beneficiary receiving retirement allowances from the Town.

Chapter 478 of the Acts of 1963, if accepted by the Town at the annual town meeting, will increase the retirement allowances of many of our pensioners, now receiving small pensions, by amounts varying from \$100 to \$300 annually. This act will affect non-contributory, as well as contributory, pensioners.

Town of Plymouth
Report of Advisory and Finance Committee
on the
Articles in the Town Warrant
March 23, 1963

This year's report of the Advisory and Finance Committee could be a composite of various items from the reports of the Advisory and Finance Committees of the past, because many of the problems that existed then are still prevalent.

We have tried throughout the year to establish a mutual understanding with the various departments in our town government for the benefit of every taxpayer of Plymouth, feeling that only through understanding and cooperation could sensible adjustments take place resulting in savings to the Town wherever possible. This is evidenced by the \$36,000.00 decrease in Article 7 alone.

We have taken into consideration not only what has happened in 1962-3 but also projected our thinking into the future so that the town will benefit from sensible planning. With this in mind we advise the Town Meeting Members to vote favorable action in Article 70, which concerns itself with plans for capital expenditures to be made in the near and distant future. Article 70 will give the Town a committee capable of long-range planning which will produce a list of needed capital expenditures in an order of priority over a period of years. As a result of the efforts of this capital expenditures planning committee the expenditures will be made progressively rather than in large sums in any given year.

With the completion of Route 3 By-Pass from Boston expected by December 1963, it will be necessary for Plymouth to plan ahead for the first major increase in population in its history. To prepare for this increase your committee feels that favorable action on the water articles 31 and 35 will be the first step in giving to the Town suitable expansion areas.

While a low tax rate is always desirable it has not been the prime moving force in our deliberation effecting expendi-

tures to be made by the Town. Our thinking has been tempered by the tax rate plus the aforementioned long-range planning for capital expenditures and the current needs of the Town.

The Advisory and Finance Committee wishes to express its appreciation to all Town Officers and various Commissioners, to the Department Heads and Clerks who have so graciously and generously given of their time and ability in the preparation of the various budgets and warrant articles.

ADVISORY AND FINANCE COMMITTEE

Term expires March, 1963

CHARLES T. SANDERSON, III, Chairman
GINO BORSARI
RICHARD W. BRAMHALL

SUMMARY OF COMMITTEE RECOMMENDATIONS

| | | |
|---|----------------|----------------|
| Article 7 | \$3,234,331.18 | |
| Special Articles | 1,343,202.99 | |
| State and County Assessments (net) | 247,054.85 | |
| Overlay Deficit — 1960 | 19,965.82 | |
| Overlay Estimate for 1963 | 90,000.00 | |
| Appropriation in 1962 from 1963 Revenue | 1,500.00 | |
| | | <hr/> |
| Total Recommended Expenditures | | \$4,936,054.84 |
| Estimated Receipts | \$1,256,302.03 | |
| Dog Tax (Article 8) | 2,306.19 | |
| Excess and Deficiency (Free Cash) | | |
| Art. 17, 77 & 78 | 243,000.00 | |
| Street Parking Meter Receipts | | |
| Art. 7 & 58 | 6,500.00 | |
| Main St. Extension Lot Parking | | |
| Meter Receipts — Art. 7 | 3,700.00 | |
| Middle Street Parking Lot | | |
| Receipts — Art. 7 | 2,895.00 | |
| Sale of Cemetery Lots and Graves | | |
| Art. 7 | 2,000.00 | |
| Borrowing — Art. 31, 35 & 42 | 596,000.00 | |
| Chapter 782 Funds | 43,588.20 | |
| Memorial Bldg. Parking Lot | | |
| Receipts — Art. 7 | 800.00 | |
| Total from Sources other than Tax Levy | | 2,157,091.42 |
| | | <hr/> |
| Net to be Raised | | \$2,778,963.42 |
| 1963 Poll Tax Estimate | | 9,000.00 |
| | | <hr/> |
| Balance from Real & Personal | | \$2,769,963.42 |

Based on the 1962 valuation of \$40,923,800, this total will require a tax rate of approximately \$67.70.

An increase of \$1,000,000 in the valuation would reduce this tax rate by approximately \$1.60.

Each \$41,000 added to or subtracted from the net total above would increase or decrease the tax rate approximately \$1.00.

ANNUAL REPORT OF THE SCHOOL COMMITTEE AND THE SUPERINTENDENT OF SCHOOLS

To the Residents of the Town of Plymouth:

I herewith submit my fourth annual report in cooperation with the Plymouth School Committee. This report also includes summaries for the departments that are important to the operation of our school system. A careful analysis of the reports will assist you in becoming better informed on matters relative to the school department.

A YEAR OF CHANGE!

In order to avoid an exceptionally long report, I will briefly summarize the major activities for the past year, which were many.

Committees

Two committees that have worked diligently this year in order to complete construction on schedule were the Manomet Building Committee and the Renovations Committee for the Junior-Senior High School. A detailed report will be presented by the chairman of both committees at the Annual Town Meeting.

Curricula

As of July 1, 1963, the Towns of Plymouth and Carver were joined to form a Union Superintendency for Grades I-VIII. Educationally this will offer an effective coordination for both towns sending their students to the same high school.

This year also saw the last class to graduate from Plymouth High School. The Plymouth-Carver High School opened on September 4, 1963, and Grades IX-XII moved into the new building.

The present Junior-Senior High School is now known as the Nathaniel Morton Intermediate School, housing Grades V-VIII. Both the Hedge and Manomet Schools will continue to house fifth grades.

Also, this year saw the closing of the Cornish and Burton Schools. These two buildings have served the youth of the community for 123 years. Equipment from the classrooms was distributed throughout the system and the cafeteria equipment was removed and installed in the Mt. Pleasant School, thus providing lunch service at that school. The Oak Street School has been incorporated into the Cold Spring District.

On behalf of the School Committee, staff, and students, I wish to extend a note of appreciation to Rev. Richard Norton, Pastor of St. Mary's Church, and to the Board of Directors, Plymouth Cordage Company. It was only through their efforts and cooperation that the facilities of St. Mary's Hall and Harris Hall were made available to the School Department for the school year 1962-1963, housing our seventh grades and eliminating double sessions.

Along with the many physical changes, curricula changes were also continued. As a result of the opening of the new high school and the Manomet addition, a pupil teacher ratio of 1-25 is a reality with the exception of a few classes.

A part-time itinerant French teacher was added in September and is assisting in Grades 4, 5, and 6. French is also being offered to students of the seventh and eighth grades.

Library facilities were restored at the Intermediate School and a teacher has been appointed librarian to serve the school during the day as well as after school.

The new library at Manomet is also in operation and is staffed at the present time by volunteer workers.

In keeping with the changes in the field of arithmetic, many teachers have been viewing the T.V. program over WGBH. Plymouth sent a teacher delegate to the S.R.A. Modern Math Workshop in November. A modern math course for all teachers is planned for next year with in-service work to be developed in the interim. Experimental programs in Modern Math are being conducted in Grades 6, 7, and 8 at the Intermediate School.

Students in the sixth grade are receiving a half year of shop, home economics, or sewing. Ability grouping in reading and math is also in practice for students in Grades 4, 5, 6 as well as ability placement in the reading area at the seventh and eighth grades.

Report cards for Grades I-VI have been revised after a full year of study by both principals and teachers.

In the Music Area, a continuation of the Glee Club Program plus the organization of a boys and girls glee club in Grades 7 and 8 has helped to enrich our curriculum.

The orchestra work has been broadened with the result that these two groups presented a Christmas Musicale and a Spring Musicale which contributed to the musical life of the school and community. Our music teacher is to be commended concerning her fine work with the youth in Plymouth's schools.

The elementary physical education program has again emphasized the physical and social well-being of the child. In addition to the various physical exercises used to develop basic motor skills, the instructor has also instituted a program of vigorous physical fitness. It is the aim of this program to have a carry-over of physical exercise into other areas outside the regular school program.

The following is a summary of the reports of the elementary school principals; Mrs. Elouise E. Cashin, Mrs. Eleanor White, Mr. George Hesse, Mr. George Theodoras, Mr. William Gault, and Mr. Robert G. Dickie:

All schools have participated in the Educational Television Programs conducted by WGBH-T.V. These programs include: Science — grades one through six; Phonics — grade one; Literature — grade three; Vocabulary Building — grade three; Music — grade two; and French — grades four through six.

As in the past, the fifth grade science program is augmented by the biweekly visits of an Audubon Society representative.

A new schedule of field trips was approved and put into use this year. All trips to historical places in town are required with certain grades going to certain places, correlating historical exhibits with the curriculum and preventing duplication in another year. There are many more out-of-town trips that are suggested. All trips are of an educational nature and serve as an integral part of the total curriculum.

The Metropolitan Achievement Tests were administered to all grades in the spring with the results comparing favorably with the National Norms.

All grades participating in the modified Joplin Plan were administered the Gates Reading Survey in January, May, and September. The results were used as a help in checking child placement and progress.

Kuhlmann-Anderson Tests were given to grades one, three, and five in December.

Mr. Nicholas Vardack, visiting psychologist from the Judge Stone Clinic, has continued his service to Plymouth children. He has also spoken to groups of teachers at various times.

Most P.T.A. units have undergone some changes in structure and program. However, all have continued to be active and generous with gifts and time.

Pupils and teachers have participated in the following services and activities: school thrift program; school insurance; and the United Fund.

In March, a successful Science Fair was conducted at the Manomet Elementary School with all the children participating in classroom and individual projects. It proved an enriching experience for children and teachers alike. This attracted over three hundred visitors including educational people from surrounding towns.

Many teachers have cooperated with Bridgewater State College by accepting, advising, and supervising student teachers in their classes for training purposes.

All elementary schools in Plymouth operate a hot lunch program.

Each school revised its emergency evacuation plan. This is done each year because of changing enrollments.

A thorough school census was taken on a town-wide basis to determine enrollments that may be expected in the various schools over the next three years.

A study of the time allotments given each subject matter area has been started. Study and revision has been planned for spelling and arithmetic with other subject matter areas to be considered in turn.

Recommendations

The elementary principals respectfully recommend that:

1. The possibility of a single session school day be investigated for all elementary schools.
2. The Town consider the establishment of public kindergartens.

3. The following programs be continued:
 - a. Bringing old equipment up-to-date.
 - b. Purchasing of films, filmstrips, and audio-visual equipment for the schools.
 - c. Class enrollment not to exceed twenty-five pupils at all grade levels (most important at the primary level).
 - d. An additional teacher of music be assigned to the elementary schools.
4. Released time for in-service training of teachers be considered.
5. A full-time speech therapist be employed for service to Union #62.
6. Ungraded remedial classes be established for children who find it difficult to progress in subject content in the regular classroom.
7. A class for the emotionally disturbed child be established.
8. Enough money be allotted in the budget so that all grades may go on required out-of-town field trips.

Personnel

Mr. Emmett B. Finck, who has served the community as a principal and assistant superintendent of schools, has accepted the position of Supervisor of Elementary Education for Union #62. This will coordinate Grades I-VIII in the Union relative to educational goals and philosophy.

Mrs. Eleanor L. White, Principal of the Cornish-Burton District, was transferred to the principalship of the Hedge School.

Mr. George Theodoras, Principal of the Hedge School, was transferred to the Nathaniel Morton Intermediate School, Grades 5 & 6, as a Vice-Principal.

Mr. William Gault, Jr., Principal of the Junior High School, was appointed the principalship of the Nathaniel Morton Intermediate School.

Mr. Alton Cavicchi is serving his second year as President of the Massachusetts Association of School Committees.

Retirements

The following staff members retired during the year 1963. We wish them many years of happy retirement:

Miss Helen H. Linnell —

Mt. Pleasant School

Full-time — 1914-1930

Part-time — 1943-1963

Miss Nellie R. Locklin — Senior High School 1929-1963

Mrs. Muriel Loring — Junior High School 1954-1963

Mrs. Miriam A. Raymond — Senior High School 1922-1963

Miss Gertrude Zahn — Cornish-Burton School 1921-1963

School Plant Improvements

The following improvements were made in the school during 1963:

Nathaniel Morton Intermediate School

Replaced wiring in Industrial Arts room

Hedge School

Blacktopped playground and parking area

Replaced two sections in boiler

Painted south wing

Transferred fluorescent lights from Harris Hall

Cold Spring School

Replaced asphalt baseboards

Manomet School

Replaced asphalt baseboards

Mount Pleasant School

Replaced rail guards and steps

The School Committee wishes to express their appreciation to the Manomet Building Committee, the Junior-Senior High Renovations Committee, and members of the School Department who assisted in making the period of transition during the summer successful.

Along with improved facilities, we shall continue to upgrade and improve our educational offerings in order to meet the needs of the individual student.

Respectfully submitted,

ALTON S. CAVICCHI, Chairman
J. ROBERT BROWNING, M.D., Secretary
SPENCER H. BREWSTER
HARRY F. DOYLE
VICTORIA ENGSTROM
JANE GELLAR

ANNUAL REPORT OF ORAL HYGIENE-DENTAL CLINICS

January 1963 — December 1963

I herewith submit my report for the year 1963:

Dental examinations were given in the fall by the School Dentists in grades one through twelve, and the parents were notified as to the results.

2,918 pupils were examined and 1,418 were found to have all needed corrections made at this time.

Mouth Safety Protectors were fitted to the Senior High School football team. This program has been favorably received by both the dental profession and the athletic directors.

In Plymouth-Carver High School there were 60 pupils found in urgent need of dental treatment. In Nathaniel Morton Intermediate, grades 7 and 8, 38 urgent cases were found and 12 in grades 5 and 6.

The above figures reveal the necessity for more cooperation in relation to correction of dental defects, especially in junior and senior high school.

193 pre-school examinations were given in April, and 116 children were found to have a family dentist.

Follow-up — Dental Corrections

| | |
|--|-------|
| Pupils examined grades 1-6, fall, 1962 | 1,340 |
| Pupils with all corrections made | 946 |
| Results of these examinations as of June, 1963 | |

Pupils with Dental Certificates

| | |
|----------------------------|-----|
| Cold Spring School | 70% |
| Cornish-Burton School | 70% |
| Hedge School | 55% |
| Manomet School | 63% |

Mt. Pleasant School 70%
Oak Street School 77%
Oral Hygiene — Dental Hygienist

346 classroom talks were given and 958 pupils had a dental prophylaxis (cleaning of teeth).

Special emphasis was given to National Children's Dental Health Week in the schools (February 3-9). Radio Station WPLM made spot announcements on Dental Health.

The purpose of this emphasis is to call attention to the need for proper dental care through:

eating a well-balanced diet
regular visits to the dentist
correct brushing after meals

Dental Clinic

| | |
|--|----------|
| Clinic sessions (reparative work and examinations) | 86 |
| Treatments | 289 |
| Completed cases | 63 |
| Amounts received for clinical services rendered.. | \$108.10 |
| Amounts received for sale of toothbrushes | 54.86 |
| <hr/> | |
| Total | \$162.96 |

The dentists again recommend that the Town adopt the fluoridation of its public water supply as a means of preventing dental decay in the teeth of the school children.

School Dentists

WILLIAM O. DYER, D.M.D.
FRANCIS C. ORTOLANI,
D.M.D., F.A.C.D.

**ANNUAL REPORT OF THE
PLYMOUTH-CARVER REGIONAL SCHOOL
COMMITTEE**

The operating year 1963 of the Plymouth-Carver Regional School District has been concerned mainly with finishing the construction of the new school building. We were able to open school on our scheduled date and utilize all facilities necessary for our scheduled programs. The building was accepted as substantially completed on September 1, 1963; as yet we are still in the process of correcting minor items. To the present time, we have encountered no major construction problems with the exception of the terrazzo flooring in the corridors. The terrazzo problems are being solved; the Committee has withheld enough money to guarantee that the flooring can be corrected before we terminate the contract. In a project of this magnitude, we have been fortunate to have only small problems to solve.

I would like to publicly acknowledge the efforts of Korslund, LeNormand & Quann, Inc., Anderson & Crawley, architects, J. L. Marshall & Sons, Inc., general contractor, Mr. Marshall Jackson, clerk of works, and Mr. F. Edward Nicolas, Superintendent of Schools, in achieving the opening of our school building on the target date. Without a combination of their efforts, the opening of the Plymouth-Carver High School would have been delayed. At the time of writing this report, The Plymouth-Carver Regional High School has been in operation for only one-half a year, we have a large staff and a large student body. The 1075 students is very close to our original estimate; in the next three years our classes will correspond very closely in number to the projected figures from our census studies. The school should accommodate our needs for these years without any difficulties. However, with the opening of the new highway and the projected population increases, serious thought must be given to

long range planning of our population needs. The towns of Plymouth and Carver must never be caught again in the educational "squeeze" which necessitated double sessions in Plymouth and the indiscriminate placement of Carver students in any high school available.

The Plymouth-Carver Regional School Committee is well aware of the increasing costs that are evident in our budget requests this year. These increased costs are due to several factors.

1. The increase in the number of students.
2. We have a four-year, rather than a three-year high school.
3. Because of a larger curriculum offering, the number of classroom teachers has had to be increased. (We are operating under the philosophy of tailoring the curriculum to the educational needs of the students, rather than the reverse).
4. We are striving to keep a teacher-pupil ratio of 25 pupils or less.

Until the State or Federal Government provides some increasing aid to education, the local communities will have to continue to support education through the real estate tax; nevertheless, the only hope for a continued prosperous country is through a well educated public.

The administration and teaching staff of the new school have taken hold well and are implementing well the program of curricular and extra-curricular activity that has been proposed. The program for the students is obviously more important than the building, but without the physical plant, we would not be able to carry out this program.

Finally, it should be pointed out that we have completely built and equipped this new school building within the monies appropriated under the bond issues; we have applied all reimbursements to the construction and planning of the school. We believe that we have obtained excellent value for the money expended. From this point forward, it will be our responsibility to concern ourselves with the education of the future adult citizens of Plymouth and Carver.

Respectfully submitted,

SAMUEL K. STEWART, M.D., Chairman
ERWIN K. WASHBURN, Vice-Chairman
JANE GELLAR, Secretary

FRANKLIN P. WILBUR

ANNUAL REPORT OF THE PRINCIPAL OF THE PLYMOUTH-CARVER HIGH SCHOOL

A year of transition in which a number of significant educational advances were made succinctly describes the year 1963 both at Plymouth High School and at Plymouth-Carver High School. Preparing for the opening of a new school necessarily required that everyone involved re-examine, diagnose, and evaluate qualitatively every aspect of education from the formulation of policies to the recorded progress of each student's growth and development. This procedure, which had begun earlier, was continued throughout the year 1963.

Every member of the staff of Plymouth High School, some of the members of the Plymouth Junior High Staff, and high school students, as well as professional consultants from universities, from the State Department of Education, from book publishers, from equipment manufacturers, and from suppliers, all played roles suited to their experience in the enormous task of planning for our new school.

Building specifications were analyzed, sources offering school furnishings and equipment were explored; the educational philosophy and the stated objectives to implement that philosophy were redefined; the program of studies was carefully planned to utilize effectively the facilities of the new school; the students, their parents, and the citizens of Plymouth and Carver were briefed on all of these happenings, and a vigorous personnel campaign was initiated to attract to the school staff both promising and experienced teachers as well as other related personnel.

Amidst the process of charting the course for the new school, the educational program of the Plymouth High School program was proceeding at flank speed. A formal

examination program for all students was established to take place at the end of the second and the fourth marking periods; a one semester personal typing course was introduced as was a large group-instruction driver education program; in addition, a seminar course in advanced French was initiated. The one semester course in World Literature was extended to a full year for those students who desire to study literature in depth.

These modifications indicate the trend of the times: more students are continuing their education in institutions of higher learning, and fewer students are dropping out of high school. The continuing education trend is clearly reflected in the plans of the students of the most recent graduating classes, those of 1961, 1962, and 1963; 52%, 54%, and 71%, respectively, of the members of those classes are continuing their education. Equally indicative of the trend of the times is the diminishing drop-out rate; for the years previously listed, the rate declined 6%, 5%, and 3%, respectively. Consequently, to provide the educational opportunities for the many students with varying abilities and objectives, many modifications of the curriculum are a continuing necessity.

During the year there were some changes in personnel. Mr. Craig T. Allen and Mr. William McAndrew resigned and were replaced by Mr. Bernard Barufaldi and Miss Gertrude Prior. Two outstanding, dedicated teachers, Miss Nellie Locklin and Mrs. Miriam Raymond, after forty-three and forty years of service to the youth of Plymouth retired in June.

The summer months were spent moving into and readying the new school for its September opening. Considerable planning by all of the department heads and many other staff members took place during the summer.

Restructuring the school organization from a 10-12 to a 9-12 graded system and entering a new school with

increased and improved educational facilities have had a considerable effect on both student and staff growth, curriculum, organization, and assignments of all kinds.

Student enrollment increased from 600 students to 1,080 students with students from Plymouth and Carver comprising approximately a 90% - 10% ratio. Regionalizing, adding a ninth grade, and population growth are the predominant factors contributing to this increase.

Staff growth increased correspondingly from 34 to 65 teachers. Eleven teachers were transferred from the junior high school, and twenty-one other teachers were added to complement the Plymouth High School staff in order to create the faculty for the Plymouth-Carver High School. Notable additions include a vice-principal; three full-time guidance counselors, including a guidance director; three industrial arts teachers; a special education teacher; and a librarian.

The curriculum was reorganized to weave the ninth grade into the fabric of the other grades in order to effect a harmony and continuity of design. The language laboratory, the crafts room, the industrial arts shops, the additional science laboratories, and the project centers — all had an effect upon the growth, the organization, and the methods of teaching the curriculum. Creative writing, Modern European History, Spanish, sales and service, woodworking, metal-working, and power mechanics were new to the curriculum. In addition, extensions were made within the traditional courses to provoke more intellectual inquiry as well as to provide greater opportunity for more students to participate in interscholastic and intramural athletics. Students are now required to do more reading and writing, to elect more social studies, to study more involved mathematics and science courses, and to speak and to understand foreign languages. In addition, many more students are engaged in physical fitness programs and extra-curricular activities.

The conference rooms, the lecture room and the rooms with movable partitions have enabled us to group

students for instruction in a variety of ways, depending upon the learning goals. Team teaching is being done by teachers of science, art, and industrial arts. All science and language students have extensive laboratory experiences, and there are opportunities for independent study in the library, the science reference center, and the student project centers.

Class assignments have been made to provide for the broad range of interests, abilities, and aspirations of students at many levels: personal conferences with each student to discuss his scholastic program were arranged by guidance counselors so that students are now informed of all the available opportunities commensurate with their goals and interests.

The outcome of this approach has been to provide greater opportunities, more program flexibility, and more individual responsibility for learning. In order to optimize teachers' specialized skills and, thereby, to improve the quality of teaching, the individual differences and competencies of the staff were carefully considered before making staff assignments. Besides class obligations each teacher has a daily planning period; department chairmen are allowed an additional period in which to supervise activities and to conduct other department business.

In conclusion, we must observe that our Plymouth-Carver High School experience has been too brief to permit us to claim either extraordinary or revolutionary achievements; our launching, however, was relatively smooth and the voyage has begun. As a group we are constantly in the process of examinations, diagnoses, and evaluations, hopefully, to implement our strengths, to eliminate our weaknesses, and to motivate the best education possible for all students—however diverse their abilities. That is our goal at Plymouth-Carver High School.

Respectfully submitted,

JULIAN DEMEO, JR.

Principal

ANNUAL REPORT OF THE DIRECTOR OF GUIDANCE

Last year, the Guidance Department found itself much involved in the planning for and the transition to the new Plymouth-Carver High School. This involvement started early last year with the revision and expansion of the *Program of Study* in attractive bound booklet form. Each student in grades 8, 9, 10 and 11 in the Plymouth School system had an individual conference with his counselor in choosing his program of studies for the ensuing year.

In order to familiarize our students and their parents with the program offerings at the new school, the high school principal, Mr. Demeo, and the director of guidance, Mr. Calvin, arranged meetings during the school day with students at the Plymouth Junior and Senior High Schools, at Apponequet Regional High School, and at the Governor Carver School; in the evening, Parents' Nights were held in both Carver and in Plymouth.

In June of 1963, we conducted orientation tours of the new building for the students who were at that time attending the Apponequet and Governor Carver Schools.

The guidance staff is pleased with its new quarters; the fact that the three counselors and the secretary are in their own area together, and in close proximity to the principal and his staff makes for greater efficiency and better service to the students, the faculty, and the administration.

As in the past, the guidance department has continued these functions: individual and group counseling in the educational, vocational, and personal-social areas, group and individual testing, job placement, conferences with parents, liaison between students and agencies such as the Division of Employment Security and the Massachusetts Rehabilitation Commission.

There is evidence that colleges and other post-secondary schools are interested in our students; here is a partial list of representatives who have visited us from the following schools: Harvard, M.I.T., Boston College, Boston University, Tufts, Brown, University of Bridgeport, Stonehill, Stockbridge, Dean, Stenotype, Bryant & Stratton, Data Tech, Bentley, Wentworth, Coyne, Franklin, Swain School of Design, and School of Practical Art.

Through the continued generosity of the Kiwanis Club of Plymouth, members of the guidance staff have been able to take groups of students (largely the non-college bound) to visit institutions, business organizations and schools to learn what they have to offer in training and employment. We have to date visited the following: Veterans' Administration Hospital, Brockton, Burdett, Cambridge School of Business, Plus School, Weymouth Naval Air Station, Wentworth, Franklin, Coyne, John Hancock Insurance Company offices, New England Telephone Company offices, Quincy City Hospital, New England School of Art, Vesper George School, and Butera School of Art.

For still another year we have a higher percentage of our graduates who plan to continue their education beyond the secondary level. Below are the statistics for the class of 1963:

| | |
|---|--------|
| Four-year colleges | 26 |
| Not yet placed | 2 |
| Junior College, liberal arts | .. |
| Transfer program | 8 |
| | <hr/> |
| | 36—27% |
| Junior college, terminal | 12 |
| Technical schools | 12 |
| Other schools — business, modeling, nursing, arts, hairdressing | 28 |

| | |
|-----------------------------|--------|
| Post Graduate, prep. school | 4 |
| | <hr/> |
| | 56—41% |

Total — Post Secondary

| | | |
|----------------|----|-----|
| Education | 92 | 68% |
| Office jobs | 10 | 7% |
| Other work | 9 | 7% |
| Armed Services | 13 | 10% |
| Undecided | 12 | 9% |

Respectfully submitted,

EDWIN E. CALVIN
